Subject of the Month:

For Mine Eyes Have Seen The King

"Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the King, the LORD of hosts." [Isaiah 6:5]

"I have heard of thee by the hearing of the ear: but now mine eye seeth thee." [Job 42:5]

"Yet a little while, and the world seeth me no more; but ye see me: because I live, ye shall live also." [John 14:19]

"Isaiah had been educated, and--and at school with the king, and so forth. He had the best that could be give him mentally, I suppose, in his intellectuals. But God had to make a prophet out of him by revealing Himself to him, by giving him something tangible, that he could see it was no more so much in literature, and reading, and writing. But the things that he had read about God and heard about God, become manifested right before him. Then he said, "I'm of unclean lips, and dealing and dwelling among unclean people." And God prepared him for his days of prophecy. That's the way God does things. He does it in a mysterious way. The prophet Elijah, we might think of him for a moment. There he is, laying back in a cave. He'd seen the power of God a few days before that, forty days before. He had God's power. He had prayed, and three years and six months it had not rained. And then he prayed again on the mountain, and fire came down from heaven and devoured the sacrifice. And then he prayed again, and rain come and bathed the earth. And then, by the fear of the threat of the queen, he run into the wilderness; he knowed he was missing something. There was something in him that wasn't right yet." [60-0326 The Unchangeable God, Tulsa OK]

"Oh, what a great thing it was, now, to know that he had wrestled through. That's, he had seen signs of God, he had had dreams about God, but this was one time he was in the face of God, in the Presence of God. Think of it, friends, now as we hurry up. In the Presence of God, a man is changed. Jacob was changed. Now he could walk with God. Yes, he was a different man than what he was when he went up there. The battle was now over. Yes, sir. And he begin to build an altar. He hadn't been used to building altars, you know. But, I tell you, when you come in the Presence of God, you want to build an altar somewhere. You want to find somewhere where you can pray. He

built an altar. He was cleansed, and God had won.” [62-0909E In His Presence, Jeffersonville IN]

“And you must have something that you're tied to. Some people are tied to their business. Some are tied to their families. Some are tied to a creed. Some are tied to the army post. We have different things that we are tied to. But I think, as a Christian, we ought to be tied where we know is right, see. Because, you might be tied to your family, and your--your wife could leave you. You might be tied to the army, and you might get killed. And you might be tied to any different things, and it's got an end. But there has got to be a final tie post. There has got to be somewhere that--that man has got to tie for his Eternal destination. Because, if you're going to trust it in your work, when your work is finished, it's done. When your family is taken, it's over.” [63-1201M An Absolute, Shreveport LA]

“Oh, well, I join church that settles it.” But you have to be desperate about it. You have to really need God. Jesus said, “Blessed are they that do hunger and thirst after righteousness, for they shall be filled.” But as long as you're satisfied with the things of the world, how can God ever speak to you? You say, “God never spoke to me.” Why? He wants to. But you're too filled up with the things of the world. That's what's the matter with us today. We put all of our time on things of the world and the pleasures of the world, and give no time to God. It's true.” [58-1005M Hear His Voice, Jeffersonville IN]

“And every man or woman that has an experience with God, has met this same Pillar of Fire upon the sacred grounds of your heart. “There is no theologian, no devil, no nothing,” Paul said, “nothing present, nothing future, death, sickness, sorrow, can separate us from that love of God, that's in Christ Jesus.” It's a tie

post. You know something happened. No matter how much science raise up and says this, that, or the other, you are tied. You and God become one. He is in you, and you are in Him. “At that day you'll know that I am in the Father, the Father in Me; I in you, and you in Me.” You are tied to Him.” [63-1201M An Absolute, Shreveport LA]

“But He's never left us. He's here in the Spirit called the Holy Spirit. Now, when He led the children of Israel, He was in a form of a Light (All of you know that.), a Pillar of Fire. When He come on earth He was a man, come down into flesh to take away sin. He said, “I come from God, and I go to God.” He went to God. After His resurrection, there was a man who saw Him. After His resurrection, after He'd ascended on high, and His body had been taken back to God, and was setting on the throne, there was a man saw Him. And I believe that's Acts about the 8th chapter, 9th, somewhere along there. And that man's name was Paul. And he was on his road down to Damascus, and a Light (That right?) struck him down, right in the middle of the day, and he said, “Who art thou that I persecute?” He said, “It's Jesus.” He was in Spirit form. And that's the form He will be until He returns in His corporal body. He will be in Spirit form, a Light. God is Light. He was in the beginning. He's still the Light. He was made flesh, went back to Light, and will be Light till He comes in the flesh. And when He comes again the second time in the flesh, then our bodies will be transformed, and made like unto His, and we'll be with Him forever. What a beautiful, rejoicing thing that is.” [57-0226 Sirs We Would See Jesus, Phoenix AZ]

“Now, we wonder if we could see God. Is there a way that we could see Him? Now, it was the only way God had, trying Job out. He said, “I have heard of Thee, with

the hearing of the ear, but now I see Thee. **But now I see Thee, with my eyes.** **The vision of the invisible had been made plain.** He seen the cloud rolling around, he heard the flashing of the lightning, or saw it. And seen the roaring of the thunder, maybe on a clear day, and he seen God was in that cloud and in that lightning. He could see God, with his natural eye. See, because the invisible was made visible. **The visible vision of others was then vindicated, clear, to the natural eye.** " [65-1127E I Have Heard But Now I See, Shreveport LA]

"Cleanse our heart, Lord, from all filth of the world. Lord, I stand ready for cleansing. I stand ready, with this church and with all the listening in, and whoever will listen to this tape. I stand, Lord, and

ask for cleansing. Lord, take me to the Potter's house and break me up, mold me a servant that You'd want. For, Lord Jesus, "I'm a man of unclean lips," as Isaiah cried, "dwelling with people of unclean lips; and woe is me, for I see the revelation of God being made manifest," as Isaiah saw the Angels in the Temple. I see the end time, Lord, and woe is me and my family; woe is me and my people. O Eternal God, have mercy upon us. I plead for myself and the people. Let us not perish with those who believe not, but may we live with the believers." [65-0725M The Anointed Ones At The End Time, Jeffersonville IN]

Featured Questions & Answer

QUESTION:

Should Believers pray for medical science?

ANSWER:

"Is there no balm in Gilead; is there no physician there? why then is not the health of the daughter of my people recovered?" [Jeremiah 8:22]

"The fruit thereof shall be for meat, and the leaf thereof for medicine." [Ezekiel 47:12]

"They that are whole need not a physician; but they that are sick." [Luke 5:31]

"When they find some kind of a serum, that'll--that'll help somebody, my, the newspapers publish it everywhere. My, penicillin, or something, oh, how they just flash it everywhere. This Salk vaccine, and so forth, how they flashed it everywhere, because they found

something that would help people. I'm salute those people. God bless them. I'm so happy for that. But they'll publish that in every little newspaper throughout the nation. And Almighty God can make the blind to see, and the deaf to hear, and the dumb to speak, and they'll turn it down and won't put it in the paper. Say, "It's fanaticism." [Come, Let Us Reason Together, Chicago, Illinois 55-1004]

"Yes, they got real men in there. And they got some renegades too. And don't holler at them, 'cause we got some others, renegades, that calls themselves "reverend." That's exactly right. So sauce for the goose is for the gander. Yes, sir. A man's got toxin and--and Salk vaccine for these little children, and now polio. I pray daily that God will send us something for cancer. If we can't have faith, let's get something else. Faith is the first. Let's take the next best if we can't get that. Look at the world in the condition it's in: poor

suffering humanity. Help everybody you can. Everything that helps is of God. Let's help; let's do everything we can and pray for men. The thing to do, brethren, is get our arms together, both medicine, doctors, hospitals, nurses, church, and all together, and put our faith in God and move forward. That's what we need. God's going to ask us why we didn't do it some of these days." [Why? Bloomington, Illinois 61-0413]

"I believe that all healing comes from God. I do not condemn doctors. I think that doctors are God-sent to us. Hospitals and clinics, do I condemn them? I constantly pray for them, that God will give them knowledge to help poor suffering humanity. And I'm very grateful to God for everything that He's done, for penicillin, for the Salk vaccine, for everything that He's done, and pray that the hour will soon come when they'll find something to curb cancer and--and the other diseases. If it ever comes, it'll have to come through God alone. I think if we Christians would spend much time praying for that, we'd be better off, to the whole human race." [Expectations And Leadings Of The Spirit, Edmonton, Alberta, Canada 57-0811e]

"There was a time when there wasn't any toxin on the earth for smallpox. Many died with smallpox, because there was no toxin. Diphtheria, no toxin, but now you can get inoculated from that. When an epidemic breaks out in the city, quickly you go down and get a smallpox vaccination or a diphtheria shot. They got toxin. I'm thankful for that. I'm glad of that. I'm glad we got it. And the Salk vaccine for little children, I thank the Lord for that.

Pray that He will give us more and more." [Why? Shreveport, LA 60-1126]

"I thank God for every serum that they got, for the Salk vaccine. Pray constantly that God will give us something for cancer, for poor suffering people. Anything can do to help, I'm for it. Yes, sir, I'm a hundred percent for it. And if we Christian people would pray more for such things as that, we'd be better off. The whole country would. Yes, great men, they give their lives just trying to fight back at those things that cripple children and everything. Certainly. I certainly thank God for everything He's done for us. I thank God for an automobile. I thank God for soap to wash my hands with. And all the mechanics, all those things, I thank God for them. Certainly. There's one time we didn't have soap, you know. There's one time we didn't have an automobile. If I wanted to walk over to Phoenix I could take off, but I thank God for an automobile. I get in and trust Him, right down the road as hard as I can go. See? So we thank the Lord for those things. All things that's good to help us comes from God. Certainly." [Why? Beaumont, Texas 61-0125]

"Some woman said to me some time ago, said, "What about, then, what're you going to say about penicillin for the flu?" "Well," I said, "penicillin is just like you had your house full of rats. They was eating holes everywhere, and you put out some rat poison, and poison the rats. That don't patch the holes. That's right. Penicillin only kills the germ. It doesn't patch the holes, or build up the tissue that it tore down. It takes God, the Healer, to do that. He's the Lord who heals all of our diseases.

Certainly, I believe that, and I'm thankful to God for these toxins, and the Salk vaccine. And it's a dangerous thing to not take it. The little children, and things, to get inoculation, what would we do without such? Now, everybody can't have faith for healing. They should, but they don't. So what would you do? You'd just have sickness, and, oh, it would be a terrible place if we had no hospitals, or things. It'd be an awful place if you didn't have hygiene, and so forth, health clinics, and what we have. We thank God for everything that we've got. Every good thing cometh from God. Certainly." [Why? Phoenix, Arizona 61-0128]

"There was a time when we didn't have toxin for typhoid fever, a time when we didn't have toxin for--the--the Salk vaccine and stuff like that, and--but now we got it. That's exactly. We got it now. Thank God for it." [Why?

Beaumont, Texas 61-0125]

"You say, "Brother Branham, do you believe in medicines?" Why sure, certainly. They are God-given things; we believe that. But that ain't what heals you. What if we didn't have health and hygiene, what would we have? The way the people has accumulated on the earth today and how many things. If the hospital is not of God, then burn the thing down; it's antichrist. See? Sure, but it is of God. But they don't do no healing. They are just a place to keep you away, and to help you, try to keep you clean while you... If you are ever healed, God healed you." [Why? Bloomington, Illinois 61-0413]...
