L-81 There's epilepsy in here tonight. And keep your children near you (See?), 'cause that's the thing. Many of you has been in my meetings and see what happens sometimes; it gets away from me. And so now, be real reverent; be in prayer.

Now, remember, when I pray for these people, it isn't just my prayer. Every one of you pray the same time. See? We're all together. We're not divided. Your prayer is just as much or more than mine. See? We're all one. I want you ministers to join right with me; pray. And all you, the laity, all of you, join together with me. We want to help somebody to get well.

Now, I want you to do something for me tomorrow night, if you will, some of you ushers. Don't let the--the cots and things set off on the side. Get them down here in front of me tomorrow night, will you? Do that.

L-82 All right. Now, let's... Are you the lady to be... All right, come here. Every person is a spirit. Every one of you has got a soul. And when you go to believing, it's in that channel of faith. You believe that? Certainly. And if you get with one accord, that's when the Holy Spirit will just move in.

Now, if you just won't... don't... We don't take emotion now. It

takes faith and love. "Lord, I love You. You couldn't lie because You're God; I love You." Love settles the thing. When you love your wife with all your heart, with all your soul, you just love her, there ain't nobody in the town could make you believe that she wasn't a good woman. That's right. See? Same thing, the old tattle-tales will come tell you your husband ain't true to you, when you really love him, got confidence in him. Is that right? Love just covers it over. That's all. When you love God, all the fears just scatter everywhere, and you just, say, "God, You're right. And I love You, and I'm healed; and I just go on and take it." That's it. Everything can happen spontaneously, if you just believe it.

L-83 Now, here is a lady. And here's another scene like a Bible scene. Now, the lady is a colored lady; I'm a white man. We both come; we're both Adam's race. Just because she was raised in Africa and me in Ireland, now, that has nothing to do with it. See? Her people come from Africa; mine come from Ireland. And that, God went right down in Africa with me down there and healed them. I seen about, oh, I guess thirty or forty thousand healed with one prayer. That's right. Is that right, Brother Stadskev? That's right. Right. Right there of--of African native... See? God loves them. They'd set there, some of them's been in heathenism and--or that setting there with leprosy and looking up through those curls of the hair hanging down with mud. And they've got just as much right to eat and live as we have. And their little, hungry children is just as hungry as our little American children are hungry.

L-84 And it's not fair, brethren, and you young men, for just to be putting up church here, and a church over here, and a church over here, and a church over here, and the rest of the world dying for the Word of God, and us fussing and stewing with one another. We ought to be uniting our efforts together and sending missionaries into all the world and preaching the Gospel, for Jesus is coming. That's right.

L-85 Now, now, let's pray, and just be reverent now. Now, is this lady here... We do not know each other. We're strangers, are we, lady? I never seen you in my life, but the Lord Jesus knows you and He knows me.

Now, my theme is--is this: Jesus Christ, the same yesterday, today, and forever. If He's the same, He's got to be the same in power, same in principle, do the same works in the same way. Is that right? Did He say, "I do nothing except the Father shows Me first." Did He say it? All right. [\[Hebrews 13:8\]](#)

L-86 And now, He told the woman at the well what her trouble was. He told Philip; He knowed--or Nathanael where he was at and what he'd done. He knowed Peter's name. He... Oh, it just on down. That's the things He done. He never claimed to heal. How many knows He never claimed to heal? He said, "It's not Me that doeth the works; it's My Father that dwelleth in Me. I do nothing till the Father shows Me to do," Saint John 5:19. Now, remember Jesus' own Words, that He never did one miracle without God showing Him what to do first. Is that right? What He said. [\[John 5:19\]](#)

L-87 Now, if Christ was standing here, the Lord Jesus in a corporal body like mine, wearing this suit here... I want to ask you a question now. Be careful now, how you answer. If Christ was standing here in a corporal body like mine, and this woman needed healing, and she come to Him and said, "Lord, will You heal me?" Now, be careful. Could He do it? He has already done it. Is that right? How many knows that healing is a finished work?

Well then, He... If you've been... If you had something in a pawn shop and you went and redeemed it, could it be redeemed again? It's already out of the pawn shop; you just have to recognize it. Is that right? And that's the way... Is salvation the same way? "He was wounded for our transgressions. With His stripes we were healed." Is that right? Then what would Christ do if He's the same yesterday,

Oh, Satan, you demon, you've bluffed us long enough. Christ is raised; He's standing here with the keys of death and hell hanging on Him. The power of healing has been paid for. And we adjure thee, by the Name of Jesus Christ, the living Son of God, that you depart from these people. Come out of them, Satan, that they go and be made well.

L-64 If you believe with all your heart, that Jesus Christ healed you, stand up to your feet and accept the Divine healing power of Almighty God. That's it. Praise the Lord. Bless the Lord. You're every one healed. Stand on your feet and give God praise. Amen. Blessed be the Name of the Lord. Let's give Him praise, as we raise our hands and praise Him. Bless the Son of the living God. Amen.

today, and forever? He'd say, "I've already healed you when I died for you. I was striped for you." See? That's why you got your healing.

But now, what could He do? He could tell what the Father would tell Him about her. Is that right? If He'll do the same thing tonight like He did then, then He's the same. Is that right? Now, let us pray. [\[Isaiah 53:5\]](#), [\[Hebrews 13:8\]](#)

L-88 Now, lady (Ever who's engineering just now, if you will...), just want to talk to you like our Lord did the woman at the well. Now, we know that in the last days there's going to be a revival of supernatural that's not going to be of God. We know that. But the way we're to tell it is by the Bible; that's right, by the Bible. Now, 'cause it said, "Many will come to Me in that day and say, Lord, have not I done this and that? And He'll say, 'Depart from Me.'" See? That's right. Now, it must absolutely be **THUS SAITH THE BIBLE**.

Now, to fulfill the Scriptures... Jesus does these things to fulfill His Scriptures. That's what He did when He come. He healed the people that it might be fulfilled which was spoken by the prophets. [\[Matthew 7:22-23\]](#)

L-89 Now, if--if He will come and do the same thing here tonight, reveal what you want me to pray for you for, would you believe Him and accept it that it's a finished work? You will believe it? Will the audience believe it, if the woman... Just so you'll see. We don't believe in swearing, but just to see her sincerity...

I've never seen the woman in my life. Are we strangers to each other, you and I? If it is, just raise up your hand so the people see. I've never seen her, don't know her, nothing at all. But the Lord Jesus knows you and He knows me.

So now, if He will do His works, I pray that He will. He's just being asked just what He... The lady's very conscious that something's going on, because it's--it just--it's the... You can't see it. Just faintly it seems to come because it's in another world.

L-90 Paul seen that Light that put his eyes out, you know, and that was Christ. So Christ was in the form of Light when Paul seen Him. It's the same Light that led the children of Israel, the Pillar of Fire. So when we get in our eyes, can see something sometime maybe others can't. But you're aware that something's going on.

Now, I see the lady standing by someone; it's a doctor or some... He's giving a shot. It--it's a... You are here not for yourself; it's for the baby. It's your baby, and the--the baby has a... It--it's an allergy that's wrong with the baby, that when he eats anything, it swells up. That's right. And it took shots, and the doctor has done what he can; but it still don't do it no good; it just keeps swelling up. And you're wanting somebody else prayed for, and that's a woman. It's a woman preacher, and she's got cancer. Now, you believe?

Now, blessed Saviour, in the Name of the Lord Jesus, may this happen. Cursed be the disease and whatever that's wrong; may it be corrected by the great Holy Spirit. I ask in Jesus' Name. Amen. God bless you, lady. Go and receive what you've asked for. [[Acts 9:3-4](#)]

L-91 Let's say, "Praise the Lord," everybody now, just... [Congregation says, "Praise the Lord"--Ed.] See? It was very strange; I--I couldn't feel the Presence of the Holy Spirit. I couldn't feel It, and now, I mean in that way. I was just so... Look like I wanted to bring people up around the altar, or something. I was just so... But now, it's--it's different now. See? God be blessed forever.

L-92 How do you do, sir? Do you believe with all your heart? We're strangers to each other, but God knows you; He knows me.

He just healed that man setting there with nervousness, if you want to claim it, my brother, and go home. Why, you--you have what you asked for then.

It's for that child. That's right. And that child has a--has a--

a sinner, and you want her to become a Christian. That's THUS SAITH THE LORD. That's right. Go, lay your hands on her, and pray for her, God in heaven reveal and bring together these things that are real. [[Mark 9:23](#)]

L-61 Do you believe? You believe that God will do it? "If thou canst believe..." I challenge your faith. Way back in the back, wherever you are, look and live. Have faith in God wherever you are. "If thou canst believe, all things are possible." If you can believe... Watch. Look this way. Pray.

You say, "What are you watching, Brother Branham?"

Rebekah, come back this way a little, honey. Stop right where you are. There's my little girl, who someday will be a prophetess also. That lady standing right there by you, honey, with the white hat on, she's suffering with a sinus trouble. Raise your hand, or stand to your feet, lady. You're praying that God would call, let me call you. Is that right? Let my little girl lay her hands on you there. O eternal God, in the Name of Jesus Christ, I rebuke that demon that's bothering that woman. And let it be removed, in Christ's Name. Amen.

L-62 Oh, blessed be the Name of the Lord. May the Lord Jesus reveal Himself to... Do you believe He is here? [Congregation says, "Amen."--Ed.] Then let me tell you: every one of you right now, if you can believe it, Jesus Christ makes every one of you well, right now. If my words is true here, it's true there. If you'll do what I'll tell you to do, you can be healed right now. Do you believe it? [Congregation says, "Amen."] Then put your hands on one another. Just lay your hands over on one another, inside or out. Don't you doubt. I heard a deaf spirit leave. Here He is, the resurrected Christ.

L-63 O eternal and blessed God, in the Name of the Lord Jesus, I challenge every unclean spirit, in the Name of Christ the Lord, that it'll leave this place, go out of these people. And may the great Holy Ghost now baptize everyone in here with great faith to believe.

to me what's your trouble, will you believe Jesus Christ is the Son of God, and I be His servant? If you will, raise up your hand. You got a female trouble, a lady's trouble. That's right. You did have; you haven't now. You're healed. Go on your road and rejoice and be glad.

L-59 Come, sir. That old kidney trouble and stuff bothering you, you believe God will make you well, heal you of it? Then in the Name of Jesus Christ, receive your healing, and go on your road, rejoicing. Amen. God bless you, brother. Believe.

How do you do, lady? Wouldn't you love to go eat a good meal again like you used to? You've been all nervous, haven't you? 'Caused a peptic ulcer to be in your stomach. Go, get you a hamburger and eat it; Jesus Christ has made you well. Go on your road, rejoicing.

"If thou canst believe." Have faith in God. Do you believe? The living, omnipotent Christ is present here now to heal every person in here. [\[Mark 9:23\]](#)

L-60 Just a moment. Way back down the line, setting right down here, sets a young man. Your faith's greater than you thought you had, son. You had a heart trouble, didn't you? If that's right, stand up on your feet; Jesus Christ healed you, son. You're well. Go on your road and be well.

Do you believe Him? Have faith in God.

Here's a man I don't know. We're strangers to each other. I believe this man was baptized this morning. But I don't know you, don't have no idea about you. Is that right? If Jesus Christ will reveal to me what you're here for, will you accept it?

How many in the audience will receive it right now? "If thou canst believe." Just have faith. Don't doubt.

The man has a skin trouble. That's right. And I see you're getting... It's a prostate trouble also. That's right. If it is, wave your hand. And I see something dark standing between you and a woman; it's your wife. You're praying for her. She's

had an operation or something, and it's on the ear. And it won't heal up; it just keeps running. That's right. What do you say? Ozzie, do you think that God will make you well? You believe it? Huh? Ozzie Johnson. That's exactly right. You live on a street called Juniper, (Uh-huh.) 8404 (Right.), Castro Valley. Take the child home; it's going to get well...?... God bless you. If thou canst believe...

L-93 How do you do, sir? We're strangers to each other. You believe with all your heart? You believe that Christ is present now? The preaching of the Word, He loves it, 'cause it's His Word. I don't know you. This is our first time meeting. But if the Lord God, our heavenly Father, will by the Holy Spirit, let me know what you want God to do, then you'll accept it as God telling you that you have it. Is that right? Would you believe it? You would? Your trouble is in your stomach. That's right. It's bleeding ulcer. You was operated for it; didn't do you much good. You want me to pray for your wife too, don't you? She's got female trouble. All right. Go home and receive what you ask for. God bless you.

L-94 If thou canst believe... Do you believe, lady? You have something wrong with your side, pains in your side. You have a knot in your neck. True. You want me to pray for someone else; it's a niece. She's got asthma. Go home and find it so. In the Name of the Lord Jesus, may God grant it.

If you believe... If you can believe, God is all sufficient, if thou canst believe.

How do you do, sir? Suppose we're strangers to each other. The Lord Jesus knows us both. You're a minister. You have arthritis; something wrong in your ears. Right. Reverend Wade, You're praying for someone else; that's a man. He doesn't live here. He lives in North Dakota. It's your brother-in-law; he's got cancer. Go find it the way you believe it, my brother. In the Name of the Lord Jesus Christ may it be so. Have faith.

Now, when I said to the man, "Arthritis," you had a funny

feeling, 'cause that's what you've had too. You believe that Christ will make you well? Let us pray. Blessed heavenly Father, receive this woman for Thy glory now, and heal her and make her well for Christ's sake. Amen.

L-95 Come, lady. You want to get over that lady's trouble, female trouble? You believe that God will make you well? That book that you pack has Eternal Life, if you believe it. It has healing also for you, do you believe it? And then, heavenly Father, I pray that You'll heal the woman and make her well. In Jesus' Name I pray. Amen. Now, believe with all your heart and pass right...

Hard to get up sometimes. You have another trouble, lady, that's bothered you for some time. Not reading your mind, mother, but your main thing you're wanting God to heal you for is arthritis, because it's bothering you so bad. Now look, there's Something here that knows you. Is that right? You know it's not me. Do you believe it's the Son of God? He's trying... He loves you.

Then the Bible said, "These signs shall follow them that believe. If they lay hands on the sick, they shall recover." Is that right? Then come here just a moment. Let us pray. Blessed heavenly Father, I pray that You'll heal her and let her go home and be well, in Christ's Name. Amen. God bless you, sister. Now, believe with all your heart.

L-96 Would you come, lady? How do you do? If God will let me know what you want to be healed of, will you believe Him, that He'll do it? Then that diabetes will leave you, and you'd be made well. Do you believe it? Will you... Would you serve Him all the rest of your life?

Dear heavenly Father, I bless the woman and pray that You'll make her well, as we all, as one great unit of people, pray, in Jesus' Name. Amen. God bless you, lady. Believe with all your heart now.

Hundreds die yearly with it, lady; they go quick. But God can heal heart trouble, just it's no trouble for Him to do it. Do you

Over here in the corner I see a vision. The doctor don't know whether it's cancer or TB. That's right. But if you'll believe it, you're healed anyhow. Your faith has saved you. Go on.

There you are: the omnipresence of the living God. I challenge your faith. "If thou canst believe..." Now, He has risen from the dead. He's here with us. That's Him. That's the very things He did when He was here on earth. Two thousand years has passed; He's still alive, and He's alive forevermore. Just believe; have faith. [\[Mark 9:23\]](#), [\[Revelation 1:18\]](#)

L-57 I don't know you, lady. I never seen you in my life, know nothing about you. That's true, isn't it? Jesus Christ knows you. If God will reveal to me what you're here for, will you believe Him, and believe me to be His prophet? If He'll do that, you know Something's got me anointed. You would have to know it's That. Now, if I said, "I'm going to lay my hands on you, be healed," you'd have a right to doubt that. But if God tells me something that you know to be the truth, then you know whether that's truth or not. Is that right? It's a female disorder. Operated, I see you coming off the operating table with something white over your face, but it wasn't successful. That's right. But that devil hid from the doctor, but it can't hide from God. Go home and be well, lady; Jesus Christ has healed you and made you well and...?...

If you can believe. [\[Mark 9:23\]](#)

L-58 I'm a stranger to you, lady. Do you believe Jesus Christ, God's Son, is here? You believe He'll make you well? Diabetes is nothing for God to heal. Do you believe He'll make you well? Then go home and receive your healing, in the Name of Jesus Christ, God's Son. Amen.

Come little lady. Do you believe?

Now, stop thinking that back there. It is not a telepathy. You can't get away with it now. Let me show you.

I don't know this woman. Lay your hands on mine, lady. If God will reveal to me what's your trouble... Me looking this way, you know I'm not reading your mind. If God will reveal

many years apart, maybe many--been born many miles apart. I don't know you, never seen you. But Jesus Christ knows you.

Something happened in the audience; a man appeared by me. Here he sets right here, ruptured navel. Do you believe, sir? Then Christ heals you and makes you well. Amen.

That's the way to do it, believe. What did he touch? I never seen the man; but he was healed right there. He touched the Lord Jesus Who's present here. Take away that unbelief from you. Forget about me being William Branham. Look at Jesus Christ; He's the One that's here. I challenge your faith, in Christ's Name, to forget about me and believe that this is the Lord Jesus here, and see what will happen. I don't care where you are in the building.

L-55 Now, here's a little woman. I never seen her. She's older than I. She... I don't know who she is, where she's from, nothing about her. I am a perfect stranger to her. But Christ knows her.

If He will reveal to me what you're here for, will you receive it and believe it? You had a funny feeling a few minutes ago, when I spoke something, didn't you? It was your sister that's in the insane institution in Madison, Indiana. That's correct. For another woman was standing here, and you was standing there looking right over this way. And the vision, you were believing when you come up. That's exactly right. That's what done it. And the reason you're here tonight, is 'cause you've got a heart trouble. You just had a heart attack. That's exactly right. And I see now, as I look in a vision, that rolling land. You're from somewhere here in southern Indiana. You're from near Corydon; that's where you're from. Go back home; you're well. Jesus Christ makes you well. That's **THUS SAITH THE HOLY SPIRIT**.

L-56 Have faith and believe. Don't doubt. Just only believe. Can you recognize the omnipresence of the Lord Jesus? How wonderful. What's the matter?

believe that He will make you well? Now, the Bible said, "These signs shall follow them that believe." I'm getting weak is the reason, I'm just trying to find something... Well, can I just lay hands on you, believing He will... Blessed heavenly Father, I bless this woman. And I pray that You'll heal her and make her well in Jesus Christ's Name. Amen. God bless you, sister. Go now and be made well. [\[Mark 16:17\]](#)

L-97 Nervous condition causes stomach trouble. But do you believe God will make you well? You will? Let me have your hand just a minute, mother. O God, I lay my hand upon her as she... We do know that You're here, Father, and I just bless the woman, in Jesus' Name for her healing. Amen.

I just can't hardly see the audience. It's just... You're such a blanket faith out there now. What God could do for you, just a moment.

Do you believe He'll make you well now, just take arthritis and things away from you and make you well? Do you believe that He'll make you well? You'll never have to go around with a little white stick, crippling around. You believe it? Then receive it, in the Name of Jesus Christ, God's Son. All right. Have faith.

L-98 Believe that God will heal you of that kidney trouble and make you well, and you can go home and be well? You believe it? Come here, let me lay hands on you. Blessed Father, I pray in Christ's Name that You'll heal the woman and make her well, for Jesus Christ's sake. Amen.

All right. Would you come, lady? You believe me to be the servant of God? Do you believe me with all your heart to be a servant of God? You got stomach troubles; you got arthritis, and you want God to heal you. Is that true? Then you can receive it. O Jesus, Son of God, I pray that You'll heal the woman and make her well, in Jesus' Name. Amen. Have faith.

L-99 Come, lady. Do you believe, lady, as you come, with all your heart? You believe me to be God's prophet? You do?

Asthmatic condition, you believe God will make you well? Here's one thing that you need worse than that; you need salvation, Jesus Christ. You got a sick husband too, haven't you? He's got stomach trouble. He's not saved either. Would you give your life to Christ now? You believe on Him as the Son of God? You tell your husband to believe the same thing and both of you be baptized, and your diseases, and things, and sins will all be gone. If you believe me as God's prophet, then go do it.

You accept Christ as your personal Saviour now? You do. Come here. Jesus of Nazareth, her sin's forgiven. She's now ready for healing. God, grant that it can be so just now, in Christ's Name. Amen. God bless you, lady.

L-100 Some ministers get her quickly... Yes. Are you believing? Let the aud... Is that... Let the... Just a minute. Let's look at this prayer line out here a minute. Hold still. Look this way. The meeting's not over. Christ is here. My boy is back here and some of them... I know when they come and hit me on the side it's time for me to leave. I--I want to look at this audience a minute. I want you to believe me. I want you to believe with all your heart.

L-101 Here's a man setting right here with glasses on, setting right beside the colored woman, setting here just suffering with heart trouble. He's praying to God for me to pray for him. If that's right, mister, I want you to raise up your hand. That's right. You believe that God will heal you?

The one setting right next to you, the man right next to you, you believe me to be God's servant, sir? You do? Trying to get over asthma. That's right, isn't it? Uh-huh.

All right, one next to him, lady, what do you think about it? You believe it to be the Son of God's work? You do? You're wanting to get over female trouble. That's right. Raise up your hand. All right, sir. The Bible said, "If thou canst believe, all things are possible."

and that's an elderly lady. It's her mother she's praying for. That's true. She has little heart attacks, little heart flutters, like. She can't sleep at night. Isn't that right? Raise your hand if that's true. And that lady's not from this country. That lady's from away from here. That lady is from Georgia. That's exactly right. And you're from Georgia. And you want prayer for your eyes too. You're going blind in your eyes. And that's true. Do you believe God will make you well? If that's true, raise up your hand. All right.

L-52 Now, do you believe? [Congregation says, "Amen."--Ed.] Now, have faith in God. While I'm praying for her, pray for yourself out there, and believe God. He's here, omnipresent. Come here, sister. Blessed Saviour, I pray that, in Christ's Name, that You'll grant to this woman her desire. May the power of Almighty God rest upon her, and may she be healed and get ever what she asked for. I pray this blessing in Jesus' Name. Amen.

Now go, rejoicing and happy, and believe, sister, and be made well. All right.

L-53 I'm not sure, but I believe I know this woman. I believe you're from Georgetown, because I'm... Aren't you Brother Arganbright's relation? 'Course now this anointing, it--it's different. You realize that there's difference right now. When I talk to you somewhere else; it's different right now. You feeled a real pleasant feeling like. It's the Holy Spirit. You're not here for yourself. You're here for somebody else, and that's a little girl about four or five years old. She's got kidney trouble, and she lives in northern Indiana. That's true. That what you've got in your hand, send it to her and she'll be made well. Believe with all your heart now, and receive what you asked for, in Christ's Name.

"If thou canst believe, all things are possible." [\[Mark 9:23\]](#)

L-54 Here's a lady that's a stranger to me. I don't know you, never seen you in my life. We are strangers to each other,

man. Just a beautiful picture of St. John 4, where a woman and a Man met; and the woman was a Samaritan; Jesus was a Jew. And they begin to talk to each other, and Jesus revealed the secrets of her heart and let her know where her trouble was. Now, if He's the same Jesus today, He can do the same work today.

If this woman will raise her hand to God, not to swear (because we don't believe in doing it), just raise her hand up in sincerity, with mine, that we never seen one another before, know nothing about each other. Will you raise up your hand, lady? There you are. She's never seen me; I've never seen her, and she's a total stranger. Now, if there is...

L-50 The Presence of the Lord Jesus is here. If the woman's sick, I couldn't heal her. She's already been healed; Christ healed her when He died for her. Do you believe that? But if He was standing here now with--and where I'm standing, and He would--could reveal to her, or do something to bring her faith up to meet... Now, she might be standing here for financial trouble. She might be standing here in domestic trouble. She might be standing here dying with a cancer. She might be standing here with TB. I don't know. I can't tell you. And now, if you want to put yourself in my place, come here and take my place. You're welcome. Certainly. Neither do I know; neither would I do it. But the God of heaven knows. Can you understand now?

L-51 And if Christ will perform the same thing here, the infallible proof, like He's raised from the dead, and proved that He's the same Jesus that talked to the woman at the well, how many in here say, "I will receive Him right now as my Healer, or whatever I have need of"? Raise your hand, say, "I will receive Him if He'll do that."

The woman with her hands up, we never met. The Lord grant it, is my prayer. Now, the lady seems to be moving from me; if the audience can pick up my voice. I see someone standing. It's not for herself, so much. She's praying for somebody else,

L-102 The little lady next to her, what do you think? You want to get over stomach trouble. That's right. Raise up your hand, if that's true. All right. Believe. If thou canst believe...

A lady right next to her, what do you think about it, lady? Do you believe me to be God's prophet? You want to get over ulcers, don't you, stomach ulcers? Raise up your hand, if that's right. All right. You can have it.

What about you, lady, that looked around there, right next to her there. You believe with all your heart? You believe? You want to get over that spinal condition? Yes, sir. Then you can have it.

What about the lady next to her? You believe? You do? You want to get over heart trouble? Then accept it.

L-103 I challenge anybody in here in the Name of Christ to believe it. I challenge you to believe it, my brother. I am not a deceiver. I'm your brother, and Christ is your Saviour, and He's your Healer here. Do you believe it? Then in Jesus Christ's Name, stand to your feet and accept your healing and you shall have it, if you'll give Him praise and glory, in the Name of the Lord Jesus Christ.

57-0326 - Oakland Municipal Auditorium, Oakland, CA (Paragraphs: 109 - 131)

L-110 Thank you, sir. Thank you, sir. I think we all need to say a kind word for this PA operator here, a real gentleman, if I ever met one. He said--sent word to my--by son now, said tell me not to think about time, that he'd donate his time and give it free. [Brother Branham and audience gives the PA operator a round of applause--Ed.] The Lord bless my brother.

I trust that someday when life is all over in the world that is to come, I can walk up to that brother and call this night to his memory for trying to help these poor people that's in need. The Lord bless, is my sincere prayer. God, be merciful.

L-111 Now, as soon as this--I hear... I asked them to bring

these people in these chairs and things up here close tonight, 'cause you can get... Look, you think you're helpless. Where's your... Have you got any prayer cards? You haven't? If you don't get here early, or something another, is that what it is? It-it don't--you don't have to have it. You don't just look this way and live. [\[Hebrews 4:15\]](#)

L-112 How many of you... Not look to me now; look to Christ. See? He's the High Priest that can be touched by the feeling of our infirm... How many over the building doesn't have prayer cards and you want Christ to heal you tonight, let's see your hands. You ain't got prayer cards. Just look out there at the hundreds and hundreds of them that hasn't got prayer cards. They'll be healed just the same.

I want you to do this. Now, young man, no matter what's wrong with you. I just set and look at you a few minutes, the Lord Jesus would tell me, certainly. That doesn't heal you. It's your faith that heals you. That's just to bring the remembrance that Christ is alive and He's here.

But, and you in the chair there, sir, with--in the wheelchair, and--and the crutches, the lady with them in her hands, and the lady on the cot, and whatever you are, that doesn't have one thing to no more than anything else. You just believe and then say, "God, I now accept it." And watch what takes place (See?); watch what takes place. God will honor that faith.

L-113 All right. I think they're still lining up the prayer line down there. So now, let's look just a minute while--till they get someone out here. Now, be real reverent, and I want to ask you something. If Christ is the same yesterday, today, and forever, He's the same in principle, the same in power, same in attitude, is that right? Now, what did He do yesterday? How did He... What was the seal of His Messiahship? Tell me the first thing He done that made--that sealed His Messiahship, that we can think of in the Bible. [\[Hebrews 13:8\]](#)

L-114 The first thing I would think of would be found in Saint

make you well? If you believe it, you can have it.

Another one's got a bad blood count, setting back there, I seen them take. You believe the Lord will make you well? All right. Do you believe with all your heart? Then you can have your healing; God healed you just then. You touched Him. You never touched me, you're thirty feet away from me. Amen.

Now, do you believe He has raised from the dead? Just look and live now while the line is a-moving. Oh, it is so hard here in Jeffersonville. See? And a crowd like this all around you, everybody... Jesus took a man by the hand, led him out of town one time.

L-48 Now, look this a way, sister, just a moment. Believe that the Lord Jesus is present to help you. You are suffering with a trouble that's in the rectal, and a doctor has examined you. And he told you it was hemorrhoids. I see you also trying to move across the house, and you're going real slow. You have arthritis. That's THUS SAITH THE LORD. The doctor said that you must be operated on. That's exactly right. And I seen him sign that little card there at his office: Rebekah Baker, 509 Graham Street. That's exactly right. That's in his office on the record. That's right. Do you believe? Then you can have your healing.

In the Name of the Lord Jesus Christ, may this woman receive her healing. Amen. God bless you, lady. Go, believing now. Have faith in God.

If you could only realize the Presence of the Lord... [\[Matthew 11:22\]](#)

L-49 Now, the lady standing here, that you might... I don't know you, as far as I know. You don't know me, and I don't know you. Is that right? All right. Then here's somebody that doesn't know me, and I don't know them. I didn't know the other lady. But this lady's a total stranger, as far I know. If that's right, raise up your hand, lady.

Our first time, ever meeting in life, here's a woman and a

institution. And if you will believe with all your heart, and all that is within you, God will deliver her, and will heal your back and make you well. You believe it now? All right, come here.

Dear heavenly Father, we pray that in Jesus Christ's Name, that You'll heal the woman and make her well. And grant this blessing unto her. And I pray that the mercies of God will rest upon her and will heal her, and get glory unto Thyself. I pray in Jesus Christ's Name. Amen.

L-45 I might say this. There's a vibration coming from there, from right back here. Just a moment, stand there just a minute. I noticed that Light left you. There's too many too crowded around me here. Everybody's a-pulling. But I see It moving to you. It's somebody that you've got's got a female operation coming up. That's right. I seen two or three people appear, and the Light flood right back there and hit that person standing right back there. It's them praying for that. See? That's right. And you've got; it's a condition of a lady that's got a female operation. That's right. Now, go and receive your healing, and the Lord God make you well. Amen.

L-46 Would you come? The lady, do you believe on the Lord Jesus? Do you believe that He raised from the dead? Now, to know you, I don't. I might've seen you if you're from around here. I don't know. People come and go; I'm not around the Tabernacle here enough to know. But, you--you are from the city? You're from the city. All right then, but I don't know you. But Christ does know you. But if He will reveal to me, standing here, what you're here for, will you believe it and accept it? And you know I don't know what you're here for, have no idea. Only thing, you might've seen me around town, or something, or--or something, I don't know. That's up to God to--to know that.

L-47 Right back there, do you want to get over that bowel trouble you been having? You believe the Lord Jesus will

John the 1st chapter, when Philip got converted and went over and found Nathanael under a tree, praying, about thirty miles away and brought him back. And when he come up in the Presence of Jesus... Now, here's the first time His seal was recognized. He come up in the Presence of Jesus, and Jesus looked at him and said, "Behold, an Israelite, in whom there's no guile."

And this man, astonished him so, "How did You know me?" Said, "Rabbi, when did You know me?"

He said, "Before Philip called you, when you were under the tree I saw you." Is that right?

Now, what did this man say, to recognize His Messiahship? He said, "Rabbi, You are the Son of God, You are the King of Israel." Is that right? That's when a Jew sealed His Messiahship for the Jewish people. [\[John 1:47-49\]](#)

L-115 Now, what's the next generation, the next class? Is the Samaritan. Jesus on His road, Saint John 4, He's going down to Jericho, went by the way of Samaria. Sent His disciples away and out come a woman. He looked at the woman; He said, "Bring Me a drink." The Samaritans now, watch this--see His seal of Messiahship here.

Said, "Bring Me a drink."

She said, "Sir, it's not customary for you Jews to ask Samaritans such things; we have no cus--no such customs. We have no dealings with one another."

He said, "But if you knew Who you were talking to, you'd ask Me for a drink."

And she said, "Why, the well's deep, and You have nothing to draw with." [\[John 4:7-11\]](#)

L-116 He went ahead told her what kind of water He'd give, then the conversation kept on going. After while He... Listen now, close. This Samaritan... He said, "Go, get your husband and come here."

She said, "I don't have any husband." Now, noth--nothing seems to be any Messiahship sealed yet. See?

"Go, get your husband and come here."

She said, "I don't have any."

He said, "That's right. You've got five. And the one you have now is not your husband. Thou saidest right."

Now, listen to what she said. She said, "Sir, I perceive that You are a Prophet. Now, we know that when the Messiah cometh, He will tell us things like that." But she didn't know Who He was.

He said, "I'm He that speaks to you."

And she run into the city and told the men, said, "Come, see a man Who told me the things that I've done. Isn't this the very Messiah?" [\[John 4:16-29\]](#)

L-117 Was that the seal of Messiahship then? Is that the seal of Messiahship to the Jews? To the Samaritans? What do you Gentiles think about it? Would it be the seal of Messiahship to the Gentile? Would it be?

Now, are you soaking all this in? Then if He is the Messiah, He's raised from the dead, He's here tonight, then you don't have to ask me for anything; you just ask Him for something. Then when you ask Him, then He's obligated to answer you. Is that right? Ask what you will and it'll be given to you. "If ye abide in Me, My Words in you, ask what you will; it'll be given to you." Do you believe that now? [\[John 15:7\]](#)

L-118 Now, while they're still... I think they're still on the prayer line. It... I don't... You're not the pianist, are you, lady? All right. Just come here then. Was you one of them with the prayer card? Just stand right here just a minute.

Now, real reverent, real quiet. What a--a beautiful picture, that the Lord has given us. I... Are you Spanish, or... Spanish, Mexican? All right.

Now, here is a woman that's a Spanish woman, and I am--I'm of the Anglo-Saxon. Now, this is just exactly the way it was in the time of the Bible. Now, it's marvelous. Right now the Angel of the Lord, the Pillar of Fire that was with the children of Israel, that brought them through the wilderness,

trouble with your foot. That's right. And it's what's caused your nervous, is because you had an operation there. And that operation was a cancer on the breast, and ever since then it's made you nervous. It's correct. You believe now it's all gone from you? You feel all right now. You'll stay that way 'cause your faith has healed you. Go on your road, rejoicing and being happy and made well, in Christ's Name. Amen.

L-131 And this lady's deaf and dumb... No she's not; this woman can't speak English. That's exactly right. The Spirit... She's... You come to interpret for her. Amen. Have faith. You are--you are here for a great cause, young lady. Catch my words to her. You are desiring something great. That is, in my sermon tonight as I was preaching on Abraham, you have come here, got a hold of a card some way and got here. You want me to pray that God will give you a baby. That's **THUS SAITH THE LORD**.

57-0421e - Branham Tabernacle, Jeffersonville, IN (Paragraphs: 42 - 64)

L-43 [Blank.spot.on.tape--Ed.]... not what she wants me to pray for. No, it is not the cancer, for she's healed of that. But she wants me to pray for a back trouble she's got. That's right. It's a trouble in her back. Is that right? Now, do you believe He raised from the dead? Now watch. If I'd talk to her just a little longer, maybe something else would be said. I don't know. Now, I had no idea what's your trouble. I don't know now what it was. See? But the recorders has got it; you can find out what He said.

L-44 Let's talk just a minute longer and see if He will tell me something else. I see a woman that looks something on the order... It's another woman, and she's praying for her. And she's in some kind of a institution or a hospital; it's kind of a... It's a mental place. It's Madison, Indiana. It's--it's a--it's a--a sister that you're wanting prayer for, that's in an

happened, hasn't it? It has. You've received what you've asked for. Your faith has made you to receive that what you've asked for. Go and get it, in the Name of the Lord Jesus.

Do you love Him? To know Him is life. Now, just believe. Have faith; don't doubt; just believe.

L-128 Now, we are strangers to each other, aren't we? God knows us both. I don't know you, but God does know you. But if He will reveal to me what you want of Him, would you accept Him?

You have an extreme nerve condition. It's a--more like a--a weary, or mental nerve, just you're upset all--all the time. And you got something wrong; you're trying to move sideways out of a chair. I see you getting up, kind of a sideway; it's in your hip, something wrong in the hip; it's arthritis in the hip. That's right. And then there's something else I notice you holding yourself like this. It's in your chest. That's true. Lump. Correct. You're scared, but don't worry, it's going to leave you now. Go and believe Him. Your faith just... God be merciful...?...

L-129 How do you do, lady? Suppose we're strange to each other too, but the Lord knows you, doesn't He? Your trouble's in your lung. That's right. I see you've had something like x-rays, the--like the VTV, or something. Correct. You use your lungs a lot, 'cause you're a preacher, a woman preacher. That's right. Viola, do you believe that God would make you well? From the Vallejo, California, aren't you? Now, return, and get well in Jesus Christ's Name. Amen. If thou canst believe, all things are possible. [\[Mark 9:23\]](#)

L-130 Now, lady, I guess we're strangers to each other. But Christ knows us both. If God will reveal to me what you are wanting, will you receive Christ as your--deliver her?

Now, she's extremely upset about something. It's her nerves; she's all unnerved about something. And again, you've got

that was made flesh and dwelled among us, returned back to the Father, and met Paul on the road to Damascus in another Pillar of Fire, that I--even put Paul's eyes out almost; that same Spirit is right here at this platform, right now.

Now, that's either the Truth or it isn't the Truth. And now, if He will prove that He's here in the same power that He was at the well of Samaria, to disbelieve It would be--mean to be lost. [\[John 1:14\]](#), [\[Acts 22:6\]](#)

L-119 What does the Bible say, "Go ye and (what no more?) sin no more. Is that right? What is sin? Unbelief is correctly, sir. That's a correct answer. "He that believeth not is condemned already." See? If you don't believe, you're just condemned; you're a sinner. And the only way you can be saved is 'cause you're a believer. That's right. [\[John 5:14\]](#), [\[John 3:18\]](#)

L-120 Now, if the Holy Spirit, which was taken out of Christ Jesus, where His Body, corporal Body, is setting at the right hand of God, making intercessions for--on our confession... Do you believe that? He cannot do one thing for us until we confess it, and then He works and is making intercessions on our confession. Is that right? Hebrews 3:1. That's right.

Now, but His Spirit's here. And He set in the church, gifts. And now, if the Lord Jesus will come to this woman and reveal to her something about her (I know her not.), and will reveal, and act in the same way that He did when He was at the well of Samaria, it ought to settle it. [\[Hebrews 3:1\]](#), [\[John 4:4\]](#)

L-121 Let me ask the lady something. We do not know each other. Is that right? We're perfectly strange to each other. This is the first time we've ever met. I have no way of knowing you. Is that right? If that's right, just raise up your hand so all the Spanish people and all can see. See? Perfectly, totally strangers... God in heaven knows that I don't know the woman, never seen her in my life. But God knows her. And if He can... If I can just yield myself to His Gift, and He can speak to this woman and tell her something

about her life...

L-122 Now, if I just go up here say, "I'm a servant of the Lord. Come here; you're sick, aren't you?" "Yes." "You're going to be healed, hallelujah, go." She'd have a right to disbelieve that.

But now, she don't know what the future holds; neither do I. And I don't know what her past has been, but God knows both past and future. Is that right? Well, if He can reveal her past, surely He'd know her future then. Is that right? Then you're sure that you're right. You're positive sure.

Now, you out there without prayer cards, you just look this way and believe it with all your heart and receive it. May God grant it is my prayer.

L-123 Now, lady, just to talk to you a moment, after preaching at length, and to just see if the Holy Spirit will reveal; if He does I'll be happy and all of us will be happy. And the church has promised, the people, that they would believe with all their heart, if God would do this for us tonight.

Now, I've spoke a long time. Now, my words is just the words of a man, except what I used of God. Now, I have said out of the Bible and proved it through Abraham, that He is alive tonight. His covenant is with us. He is with us. And He's the same yesterday, today, and forever, Jehovah-jireh, the Lord's provided Sacrifice. [\[Hebrews 13:8\]](#)

L-124 Now, if God said that Jesus is the same yesterday, today, and forever... The Bible does, which is God's Word. And then, if He's got to produce Himself the same way, He's Jehovah-jireh. He will provide whatever we have need to do it. Is that right? If it takes a prophet, He will provide a prophet. If it takes a seer, He will provide a seer. He will provide it, because He's Jehovah-jireh. And if He will produce it, then it's up to the audience to make their decision. Is that right? It's up to you. [\[Hebrews 13:8\]](#), [\[Genesis 22:14\]](#)

L-125 What would you think about it? If the Lord would tell

me what you're here for... You might be a infidel. You might be a critic. You might be, I don't know who you are, but He knows you. But if He will tell you what, at least what you're standing there for, what you're wanting of Him, or something on that manner, that you know I know not, you'll accept it, believe it? You will? Well, may He grant it is my prayer.

Now, if you'll notice, the lady's not looking at me; she's looking down at the platform. I'm not touching, reading her mind, I'm just quieting myself, quieting, just letting the Holy Spirit take over, just yield, yielding. That's the way I have of doing that; it's a gift.

L-126 Now, if the people can still hear my voice, I see the lady's leaving here. There stands that Light, standing near the woman. And she is in a condition of a rupture. And it's in the navel; she's ruptured in the navel, condition in that part of her body. You believe now?

Now, just a moment. Being as this is the last night, I want you to let me stand as long as possible. Let's just talk to the woman a little longer.

Now, you know that was true, ever what it was; it was some condition. But it was the truth. I have no way of knowing that. Is that right? No, no way of knowing. Well now, if you'll believe me to be His servant, may He do something else so you will believe.

L-127 Yes, there is something else that you want to know about. There's something else that you're desiring in your heart. Just as much as the sons of Jesse come to the prophets to know where their mules was, you're longing for something else. And that is concerning... I see appearing by the lady, if the people can still hear me, it's a little girl. And the little girl has a, like a rash. That is right. And I see a little boy appear. And the little boy has got hurt. And he hurt his back, and makes his ribs stick out, his--his bones, like. That's THUS SAITH THE LORD. That's true, isn't it?

Now, you know, that in your heart, lady, something's
