63-0123 - First Assembly Of God, Phoenix, AZ (Paragraphs: 296 - 319)

L-297 How many in here is sick, needy, have a need of anything? Raise up your hands and say, "It's me, Lord. I believe, Lord."

L-298 I want your undivided attention, just as sweetly as you can, for a few moments.

L-299 If, after this Message, and Christ will reflect Himself in the people, and see that some poor soul has enough faith to touch His garment, and I can yield myself to His Spirit, and know that this is the Holy Spirit! Then, if you belong to something else besides a group that believes This, then I'd come over to where they believe the Truth. See? I would. I certainly would. I would believe, because God making Himself known. Don't identify yourself now with the Pharisees and them that don't believe, them blind, because Jesus said they would see Him no more. "But ye shall see Me, for I'll be with you. I'll be in you. You'll see Me." Well, if He is that same High Priest, that's the way you'd see Him, by reflecting Himself in the same way He did then. Is that true? [Congregation says, "Amen."--Ed.] All right. [\[John 14:19\]](#)

L-300 Now, you believe with all your heart. Have faith. Don't doubt, praying, and then we'll--we'll see what He said. Now, just believe with all your heart.

L-301 Now, Father God, I've spoken of You and for Your Word. I've did it in a broke-up way, Lord, I know, but it's the best I knew how. All these two weeks, I've constantly stayed with It, Lord. All my life, I've tried to stay with It. Now, Lord, honor Your Word tonight here, as the revival is closing. Let it be known, Lord, that if we stand for that which is right, the right will stand for us. Grant it, Lord. That we believe, that You become us, to take our sin; that we might become You, sons of God, to reflect the Word of God, vindicated, made it manifest through our ministry life that You have given us. Grant it, Lord. We present ourselves to You now in the Name of Jesus Christ. Amen.

L-302 Now just have faith. Don't doubt, but--but believe with all your heart now. Are you believing? [Congregation says, "Amen."--Ed.] Everybody believe. Now, don't doubt. Just pray, to yourself. Have faith now. Don't doubt, at all. Quieten yourself down now. Listen to what the Spirit saith unto you. Have faith in God. Have faith in God.

L-303 What you looking at me so sincerely about? You believe me to be His servant? I don't know you. I've never seen you, but just a woman setting there looking at me. It's not exactly sickness that she's worried about. She's worried about somebody else. It's a young girl. She has just come up missing. She's left home. She's just a girl, a teen-age girl. This has been made up for a long time. So far, I see no danger with her. Have faith. Believe God, He will send her home to you.

L-304 What did she touch? Now, you see the woman. I never seen her in my life. She's, total, a stranger.

L-305 Here is a lady setting right back here, eyes closed, praying. She is suffering with a--a rectal trouble, and it's hemorrhoids. She is suffering with a heart trouble. She is going to miss it. God, help us. Miss Willingham, believe on the Lord Jesus Christ. Now you receive it.

L-306 Now ask the woman. We are totally strangers. You say, "You called her name."

L-307 Why, didn't Jesus tell Simon, "Your name is Simon. You're the son of Jonas." Just have faith in God. Do you believe it? [Congregation says, "Amen."--Ed.] [\[John 1:42\]](#)

L-308 Now get sincere. Believe. Don't doubt. Just put your mind on God, and--and believe Him.

L-309 What's He doing? He's identifying Himself. He's reflecting Himself. Now, if you don't think it's right, I ask you to come to the pulpit and do the same thing.

L-310 There is a--a little woman. She is setting back here with a shawl over her head. She is Spanish. And she is praying for a daughter. That daughter doesn't live here. She's now put her hands to her face. And she is... This daughter lives where there's lots of water, where the sea roars, in San Diego, California. And she has varicose veins and complications, and she's almost to a nervous breakdown. Do you believe that your prayer then touched the hem of His garment, my little Spanish sister, and your daughter will get well? If you do, raise up your hand and accept it. All right, you can have it. It turns clear there by you now. Don't doubt. Believe.

L-311 That was astounding to you, wasn't it, lady, setting there? Put your hand up to your nose, and wiped your face then; said something across the aisle; with the blue coat on, setting there. Yes. All right. If you will believe with all your heart, then that heart will straighten out and won't have any more heart trouble that you been suffering with. If that's right, stand up on your feet, to just witness that that's true. I'm a stranger to the lady. Amen. Do you believe? Certainly. Uh-huh. Always believe.

L-312 I see, and rather a middle-aged man. Do you see that Light, amber, hanging right there, pulling right over that fellow? Now he's praying. He's got his head down. And there is something that's just been said, that attracted his attention to praying. Cause, he's from California, too, as just said. But he's from Fresno, California. He suffers with asthma. Mr. Korol, if you believe with all your heart, you can go home and be made well, too. Amen. Believe it now. If that's right, raise your hand. Are we strangers? Raise your hand. All right.

L-313 You believe? [Congregation says, "Amen."--Ed.] What did that man touch? He touched Jesus Christ. He's thirty feet from me.

L-314 I challenge you, in the Name of Jesus Christ, to believe that this Message of the Holy Spirit in this last days is the closing out of the world's history. I challenge you to believe that I--I taught It to you tonight. You believe that God sent me. You honor it. And now, don't honor me, but honor what He sent me for, His Word, and God will grant it, your request. I can't make Him do it, but if you will believe.

L-315 Here, look here. Can't you see That? Look here, that Light right here. It's right over this kind of heavy-set woman setting here. I don't know the woman. I've never seen her in my life, but she is sick. She is suffering. She's been to a doctor, and, something, an examination showed it's in the colon. It's some kind of like sores. No, the doctor says it's ulcers in the colon. That's right. That's right. You're not from here. You're here on a visit. Is that right? Raise up your hand. You come from Michigan. That's right. You're here to visit a son, and he's in some kind of a radio business of some sort. Your name is Mrs. Erb. Have faith in God. Go home and find it the way you want it, if you believe with all your heart.

L-316 Do you believe? Are you ready to have the dross of unbelief beat out of you? Do you believe that you can see Christ reflecting Himself, the same yesterday, today, and forever? He is God. Do you believe that? Say, "amen" if you believe it. [Congregation says, "Amen."--Ed.]

L-317 Then put your hands over on one another. I'm going to show you His Word, if you're believers. He said, "These signs shall follow them that believe. If they lay their hands on the sick they shall recover." Put your hands on one another now. [\[Mark 16:18\]](#)

L-318 Close your eyes. Bow your head. Pray for one another. You pray. It's not me. You pray. Christ, out among you out there!

L-319 Heavenly Father, in the Name of the Lord Jesus, may Christ be reflected in every life here tonight. And heal the sick, Lord. We cast out every devil of unbelief, that the Church of pentecost might see the reflection of Jesus Christ in their life, as they have seen it this night.

63-0127 - Ramada Inn, Phoenix, AZ (Paragraphs: 351 - 383)

L-352 There is many hands in here, where maybe two hundred hands up in the air, that wanted to receive You as their Saviour, and wanted to receive You as--as their--their--their Absolute, something that they could place their faith on, that their very heart would punctuate every Word and make it be manifest. Grant it, Father. In the Name of Jesus Christ, I ask it.

L-353 Now, while you're here together and in this little group, I want you to be praying. And I've never done this, but I feel led to do it. Just keep in prayer.

L-354 And how many of you people in here that know me? And you're sick or have need, for yourself or somebody, raise up your hands. That you know me, and know that I know you, raise up your hands, everywhere. See? It just look like all around. Now, you put your hands down.

L-355 Now, the ones that you know that you don't know me, and I don't know you, raise up your hands. Oh, still, everywhere, no way to differentiate them apart.

L-356 Now I want you to pray, pray sincerely. Don't doubt now. Just pray. And let's let the Holy Spirit...

L-357 Now, if I've spoke these things, now, you know good and well it's totally impossible for me to know who you are, what you are, or whatever about it, what's wrong with you. But what happens? Did not Jesus promise this same thing in the last day? Did not He say there, when He said, "As it was in the days of Sodom"? [\[Luke 17:26-27\]](#)

L-358 When God was manifested in flesh, that Man come there, just a Man, eating flesh of a cow or a calf, drinking milk, and bread. And He said, "Where is Sarah?"

Said, "She is in the tent, behind You." [\[Genesis 18:9\]](#)

L-359 And He told what He was going to do. He said, "I'm going to visit you." Abraham called Him Elohim, Lord God. And He said...

Sarah laughed to herself. [\[Genesis 18:10-12\]](#)

L-360 And He said, "Why did Sarah laugh?" With His back turned to the tent.

Jesus said, "As it was..." [\[Genesis 18:13\]](#)

L-361 You see, there was the church natural, the church natural, which was Lot and his group. They had a modern Billy Graham go down there, and--and so forth, and an Oral Roberts and them, calling them out. They did a miracle, insomuch, to smite blind. They preached the Gospel.

L-362 And there was the Sodomites. There's always three groups of people. The Sodomites, you see what they did.

L-363 But the elected, the pentecostal, so-called, that was Abraham, that are already out of Egypt, already out of Sodom, setting up in the lands, in the poor lands. See what kind of a Message they got?

L-364 Now watch, today, when was there ever a time? Tell me when a time ever went out to Sodom.

L-365 Remember, that was Abraham, A-b-e-r-h-a-m, or A-b-r-a-h-a-m, rather.

L-366 When was there ever a messenger ever went to the local denominational churches with a man ending his name in h-a-m, G-r-a-h-a-m?

L-367 What about to the pentecostal group? It's never been known in history. I come through it just recently, checking names.

You say, "Names don't mean nothing."

L-368 Why did Saul then have his name changed to Paul? Why did Simon to Peter? Why did Jacob to Israel? Certainly, it is.

L-369 Have faith in God. Don't overlook the thing that God is trying to give you. Now pray. Say, "Lord Jesus, have mercy."

L-370 If I'm not mistaken, while you have your heads bowed, I'm looking over here. I think that's Sister Carl Williams setting over here to my right. Is that right, Mrs. Williams? I... Over here, Sister Carl Williams? It looked like her setting over there to my right. I wasn't sure. Did I make it clear? I guess it wasn't.

I'm trying to see somebody that I know.

L-371 Look around, I see Brother and Sister Dauch setting here, but they're from the church.

L-372 Is that Mrs. Outlaw over here to my left? That's who I thought you all were, standing there. Mrs. Outlaw, I know you. You're someone I know. I want to ask you something. You look right straight to me. You believe me to be God's servant? Do you believe that these things I teach is the Truth? Now, Mrs. Outlaw, I haven't spoke to you as I know of, for over a year, since I was here before. No, I believe I waved at you, other day, in the restaurant.

L-373 Look here to me. But you have a burden on your heart, not so much for yourself, but for somebody else. That's a young woman. It's your daughter-in-law. Do you believe that God is able to tell me what's the matter with that daughter-in-law? She's got kind of a sinus trouble, and also she's got a nervous, real, real nervous. All right. Don't--don't worry. It's going to leave her. She felt it right then, setting here. Yeah. It's going to leave her.

L-374 Just have faith. You believe? [Congregation says, "Amen."]

L-375 Here is a lady setting right down in front of me here, total stranger. But can't you see that Light hanging over her? She is suffering with a weakness in her body. She, she is not from here. She is from California. I'm a total stranger to the woman, but she knows I'm speaking to her now. You see that Light hanging over her? I'm... I don't know her, never seen her. But her name is Mrs. Elliott. If you'll believe with all your heart, you go home, be made well. You believe it? All right. Now, if I'm a stranger and everything, wave your hand, too, like that. See? Raise up your hand, and believe with all your heart, see if that's all right. Have faith.

L-376 Here is a lady setting right in front of her, right by the side, must be her husband. She is setting there also, and she has a trouble with her muscles. They got spasms in it. That is right. Yes, ma'am. Mrs. Darwich, if you believe with all your heart! You believe? [The sister says, "Yes."--Ed.] There you are. I don't know you, never knowed your name or nothing about it, but that's true. Isn't it? And you were setting there, saying, "Lord, let it be me." See? If that's right, wave your hand back and forth, like this. Wave your hand if that's right. All right.

L-377 There you are. I never seen her in my life. Heavenly Father knows those things are true. That's right. What is it? It's Jesus Christ. What's it doing? That's exactly what He said it would do in the last days.

L-378 Now, if that's right, and God performing it, showing that it's right, then the Word I'm preaching is right, because it's the same God keeping His Word. Believe on the Lord.

L-379 Turn from your lukewarm ways. Get away from these things that's dragging you out, like Hollywood, these things dragging you like the rest of the churches. Return to God, and get an absolute that will hold the anchor of your heart.

L-380 How many would like to have that experience with Christ? Stand up on your feet right here in His Presence, where you know He's here. God bless you. God bless you. Now, that's fine. Now, that is wonderful. Oh, my! I don't know what to say.

L-381 If every one of you here will accept that Message, that Jesus Christ is right here with us!" A little while and the world, unbelievers, won't see Me no more. Yet, ye shall see Me. I'll be with you, even in you. The works that I do shall you also." "Jesus Christ the same yesterday, today, and forever." Is that

right? [Congregation says, "Amen."--Ed.] Well, you see Him working, exactly what He promised. [[John 16:16](#)], [[John 14:12](#)], [[Hebrews 13:8](#)]

L-382 Now, He's here. The only thing you have to do, is just don't... Just lay yourself down and say, "Lord Jesus, I now purpose in my heart, from this hour on, I'm Yours, and You are mine. And I want this experience in my heart, that I can speak Your Word, Your Word will live. And what I ask, I believe it'd be done." Do you want it? [Congregation says, "Amen."--Ed.]

L-383 Then let's just raise up our hands to God and pray, every one of us now, everybody. And then I want you to raise one hand up, and put a hand on somebody next to you. Right. That's right. Business Men, God ever bless you, be with you!

63-0604 - Ramada Inn, Tucson, AZ (Paragraphs: 206 - 286)

L-207 How many was ever in one of the meetings before? Let's see your hand. Oh, oh, I thought I was before a strange audience, and then talk on something like that. See? Why, no. There is two-thirds in here has been in the meetings before. All right. You understand what, the way we do it.

L-208 Now, I do not see a person at this time that I could say that I know. I--I might know some of you, but there's no one that I see that I know. I can't see one person.

L-209 I--I know my wife is in here somewhere, and one of my daughters, but, and, but I don't know where she's at, even. She's in here somewhere. But I--I don't...

L-210 And I know that I heard Brother Fred Sothmann, one of our trustees of the church in Indiana, say, "Amen," a while ago. But My Heavenly Father knows I can't even see the man. It's kind of hard to see from here. I don't even know where he's at.

I see no one I know, none of you.

L-211 But, and all in this prayer line, you in the prayer line, all of you that doesn't know me, or you know that I don't know you, raise up your hand, that you know. All right. Whole group of them. I don't know them. They don't know me. You don't know me, and I don't know you.

L-212 Now, the thing of it is now, is Jesus Christ alive? [Congregation says, "Amen."--Ed.] That's what we want to know. See? And now we can't even... There's many things that we could say. "Yes, I feel Him in my heart."

L-213 The people say, "Something else." And they say many things. They say, "That's psychology."

L-214 But we want to know, is He truly alive, to Scripturally identify Himself the same yesterday, today, and forever? That's what we want to know.

L-215 Now, here is the Word of God, and I hold It in my hand. There's not a person that I can see, outside of my son now.

L-216 And Brother Tony setting down here, but the president of the Full Gospel Business Men's Fellowship, is the only two people that I see, that I know.

L-217 The little singers are setting out there at the end, I--I think they're very fine. I believe this is their mother setting right here. I'm not sure. Or--or, is that right? Am I wrong on it? Well, I'm wrong there. So, I--I don't know. I seen a lady playing. Is this her at the piano? Well, I seen a lady, other night, playing up there, that looked a whole lot like this lady here, that I thought was the--the mother. Of the--of the... There she is. Yes, sir. That's right. Well, now, you'll have to say, they look a whole lot alike. That's right. But, that, see, I didn't even know that lady.

L-218 Now, therefore, I stand here with ministers around me, behind me, and out front, Christian people. And here we stand here. And I claim that the Bible evidence of Jesus Christ is the prophetic sign. The Bible says so. And He's the same yesterday, today, and forever. And promised that, if we'd believe on

Him, the works that He did we would do also. Now, is that true? [[Hebrews 13:8](#)], [[John 14:12](#)]

L-219 Now, if that is the truth, every sinner ought to find himself here at the altar, a place here, and ask forgiveness of sin. Every sick person ought to accept your healing right where you're at.

L-220 Because, there's no virtue in me. I'm a man. Here is your pastor, is just the same as I. We're just servants of Christ. But, we're here. Now, they are--they are preachers. I'm not very much of a preacher. You know that, by now. But I--I... They are ministers, teachers, and so forth. I'm not a minister, or a preacher, rather, because I have no education, or, and no schooling. And I have no degrees of... and what... No B.A.'s or D.D.'s, or... I--I just don't have it. And I--I--I... But the Lord gave me a--a gift, because I love Him. And He--He lets me work for Him in this way.

L-221 And if He will manifest Himself here; that He is here; and this very Holy Spirit that you receive, proves that it is Him. Pentecost is the only thing is going to prove Christianity. You can't prove it by science. You can't prove it by nothing but by a pentecostal experience. You Baptists know that, and you Methodists and Presbyterians, and whatever you are.

You know it takes pentecostal experience to prove God. And that's to each individual. It doesn't prove the organization. It proves the individual.

L-222 Like Jesus said to Peter, when he said, "Thou art the Christ, the Son of God." He said, "Flesh and blood never revealed this to you, but My Father which is in Heaven. Upon this rock I'll build My church, and the gates of hell can never tear it down, see, cannot prevail against it."

Now, where is it? This lady. [[Matthew 16:16-18](#)]

L-223 Now, if Jesus Christ proves that He's alive, how many is going to accept your healing, right where you're setting? Just raise your hand, say, "If He will do just what He did here, I know He's alive. Brother Branham, I--I heard you speak. I know you. You're just a little baldheaded preacher standing there, see, and I know there's nothing in you. But I--I do know, if you've told the Truth, God will certainly testify of It. He's obligated to do that."

L-224 Now, I've spoke of Him. Now let Him speak, that I have told you the Truth. If it isn't the Truth, then it isn't the Truth. If It is the Truth, then you accept It.

L-225 The lady here, I never seen her. She raised her hands, a few minutes ago, that we were strangers to one another. She might have heard of me somewhere, in the paper, magazine, or might have seen me in a meeting. But as knowing anything about the woman, the first, only thing I know, I probably never met her before in life. She is standing here, a total stranger.

L-226 Say, this happens to be something I talked of, a few moments ago. Here is a man and a woman, meet for the first time, like Saint John the 4th chapter, when our Lord Jesus Christ met the woman at the well. Right on a panoramic, the same way, just the Bible portrayed again. Jesus never knew her. She never knew Jesus. She questioned Him, asking her, and--and He asked her for a drink of water. And then when the Father revealed to Him what was her trouble, quickly she recognized that that was more than just an ordinary man.

L-227 Now, lady, I--I don't know you, don't know one thing about you. But I'm just speaking to you, or you being the first person to catch the Spirit of the Lord. And now I perceive that you are a believer, and I mean a Christian believer, not a hitchhiker. Because, immediately, when I turned to you, your spirit vibrates welcome. See, I know that she's a Christian. See? Now, she could be a hypocrite; she could be anything; she could be a deceiver standing there. How would I know? I never seen her in my life.

L-228 But, now, if--if this repeats itself, that He knows where your trouble is, He knows what you're here for. It might be sickness. It might be financial trouble. It might be domestic trouble. I don't know. He does. But if He will reveal to me by His Presence, and let my mind and lips, and all, be so carried by

Him, till He will tell you what you're here for. You know whether it to be the truth or not, wouldn't you? You would know it, whether it was the truth or not.

How many would believe it? [Congregation says, "Amen."--Ed.] See?

L-229 Now, here I am, with my hands up, too. I never seen her in my life, as far as I know. Never seen her in my life. We're totally strangers, one to another. Now, if the Holy Spirit can reveal, to this woman, something about her: something she's done, like that woman did at the well then; or something that she ought to have done, and did not do; some trouble she has had; something that's on her heart; something she wants, or something like that; it has to come from some supernatural Power. How many knows that? [Congregation says, "Amen."--Ed.]

L-230 Well, now, you could take the side of the Pharisees, and say, "It's the Devil." Or, you could take the side of the believer, and say, "It's God." Then, it depends on you. It's up to you.

Now, that, may the Holy Spirit speak.

L-231 Now, if you who are controlling these microphones, sometime when the Anointing comes down, that I--I don't know how loud I'm talking.

L-232 You see where I have to stand now? I either have to stand with this Word... And I've declared that It's the Truth. Now I've got to depend on God declaring that back, that it's the Truth, right here before these people.

L-233 I did it before a half a million. God did it, rather, let me say, in Bombay, India, before two hundred and fifty thousand.

L-234 In South Africa, at the race track, when thirty thousand blanket natives received Christ. And twenty-five thousand, laying in stretchers and everything, got up and walked away, at the same time. That was--that was idol worshippers.

L-235 What ought it to do to a born-again group that believes God and looking for something like that to happen? Twenty-five thousand miracles performed just at one time, that's all they wanted to see, just soon as it happened. What ought it to do to us?

L-236 Now, my sister, we are two people, born in different parts of the world, perhaps, and meeting our first time here now. And I--I just want to speak to you, in order, if He will reveal to me, as we're all waiting to see what happens. Now, it has to be Him, because I--I don't know you. I've never seen you, but God does know you.

L-237 But now if the congregation... Who has ever seen that Light, that picture of the Angel of the Lord? How many has ever seen It? See? All right. Here It is, right here between me and the woman, right now. Can't you see That? It moves to her. You see It? See? The woman is looking at It, herself.

L-238 The woman has complications. She has many things wrong with her. One of the main things that's wrong with her is a gallbladder condition. That is true. Now, if that's right, raise up your hand.

L-239 Now you believe? [Congregation says, "Amen."--Ed.] And He's the same yesterday, today, and forever. Isn't He?

You believe that, brethren? [Brethren say, "Amen."--Ed.] [[Hebrews 13:8](#)]

L-240 I keep feeling that come, somebody said, "He guessed that." I didn't guess that. And, see, you can't hide yourself now. The Holy Spirit is here. What you're thinking, I'll catch it. Jesus perceived their thoughts, you see. And I ain't Jesus, but He is here with us. See?

L-241 Here, I don't know you. And Jesus will tell me who you are, then that ought to take the question out of it, for all time. Wouldn't it? Mrs. Heineman, go on your road. You're healed. Jesus Christ makes you well. Amen. Amen.

Do you believe now? [Congregation says, "Amen."--Ed.]

You say, "That woman's name?"

L-242 Why, didn't He tell Simon what his name was, who his father was? He's the same yesterday, today, and forever. Do you believe it? [Congregation says, "Amen."--Ed.] [[Hebrews 13:8](#)]

L-243 How do you do, sir? Here is a man that I have never seen in my life. I suppose we're strangers, one another. That's right. So that the people know, just raise up your hand so the people can see that we're strangers. I've never seen the man. He looks like he--he was healthy enough. I don't know the man. I've never seen him. God knows all about him.

L-244 Now, if he was sick and I could heal him, wouldn't I be an awful person if I didn't heal him?

L-245 But I couldn't heal him, because I can't do what Christ has already done. He's already healed, if he's sick. It's just something to... If Jesus was standing right here with this suit on, that He gave me, He could not heal you. He would tell you He had already done it. He was wounded for our transgressions, with His stripes. He would ask you if you believe it. [[Isaiah 53:5](#)]

L-246 But He could identify Himself that He's the same yesterday, today, and forever, and that's just what He's doing. See? That's right.

L-247 Now, here's the man. The other was a woman. I've never seen him, met him. We just strangers here on earth. Now, sir, if the great Holy Spirit...

L-248 Which, you're conscious right now, something happened right then. Didn't it? Now, that Light settled right over the man. Just ask him. I want you to know this. Just a second ago, a real sweet humble feeling come over you. Is that right? Raise your hand if that's right. See? I'm looking right at It, see, there. All right.

L-249 The man is a tiny bit hard hearing in his ears, but he's had a serious something happen to him. He's had an operation for a rupture. That's what you're wanting me to pray for. If that's right, raise up your hand. All right.

L-250 Is that right? You believe that? [Congregation says, "Amen."--Ed.]
Now, see, you don't guess those things. They are truth.

L-251 Here, he's got something on his heart, you want to believe whether it's God or not. There is something else on your heart, something you're wanting. There is somebody out here in the audience, suffering, too. It's your wife. That's right. She's got complications, in misery and pain, right now. Isn't that right? [The sister says, "Yes."--Ed.] All right, sister, you're healed, too. Both of you go home. Jesus Christ makes you well. Go on your road, rejoicing. Thank God. Be made well. Bless you!

L-252 Believe now. Have faith. Don't doubt. Believe. All things are possible to them that believe. See? I cannot heal. I'm no healer. But Jesus Christ is proving Himself that He's here with you.

L-253 This, kind of an Indian or Mexican lady looking at me, right here, suffering with high blood pressure. Do you believe Jesus Christ? I don't know you. I've never seen you. Is that right? But, you were setting there, you were believing that. Wasn't you? Raise up on your feet, if that's so, if you suffer with high blood pressure. Jesus Christ healed you.

L-254 What happened there? You say, "Brother Branham, that's not Scripture." Yes, it is. A woman touched His garment. Is that right? [Congregation says, "Amen."--Ed.]

L-255 Now, how many of you ministers and you people believe this, that the Bible says, that, "He is now a High Priest that can be touched by the feeling of our infirmities?" Is that right? [Congregation says, "Amen."--Ed.] How would you know you touched Him? Because He acted the same way He did yesterday. Amen. Makes Him the same yesterday, today, and forever.
That poor little woman setting there, see, her faith!

L-256 There was a woman one time went through a crowd of people, and she touched His garment, for

she said within herself, "I believe that the Man is truthful. I believe He's the Son of God. And if I can just touch the border of His garment, I'll be made heal, well." How many knows the story? [Congregation says, "Amen."--Ed.] Well, then, if He...

L-257 The Bible says, in the New Testament, book of Hebrews, that, "He is a High Priest that right now can be touched by the feeling of our infirmities." How do we know we touched Him? Because He acts the same way He did yesterday.

L-258 Now, you know the woman never touched me. She is thirty feet from me.

L-259 But she touched that High Priest Who we're in contact with. There you are. Each one of you can do that if you'll just believe. Amen. You see He's the same? [Congregation says, "Amen."--Ed.]

L-260 Now ask the little woman. I never seen her, never knowed her. She's just a woman setting there.

L-261 Excuse me. We're strangers, one to another, but Jesus Christ knows both of us. You believe that He can reveal to me something that you have done, something that you're desiring? Would it make you know that? Me, just your brother, I wouldn't know that. It'd have to come from some power. Would you believe it to be Jesus Christ? [The sister says, "Yes."--Ed.] You would do it. I believe you would, 'cause you're a Christian. All right. You, you believe me now.

L-262 And now will the audience believe with all their heart? [Congregation says, "Amen."--Ed.] You believe that the hour that we're living in, that these things are supposed to come right now? ["Amen."] Remember, that was the last sign that Israel had before she was... "What was taken, was taken. What was left, was left." That was the last sign just before the fire fell. Is that right? ["Amen."]

L-263 We've had signs, wonders, sanctification, baptism of the Holy Ghost, speaking in tongues, Divine healing. But what was the last sign before Sodom burned? This very thing you're seeing tonight, God manifesting Himself in human flesh, knowing the secret of the heart. Jesus Christ said so. "As it was in the days of Sodom, so shall it be in the coming of the Son of man." [\[Luke 17:26-30\]](#)

L-264 "Say, you're looking at the woman. You're reading her mind." I'll turn my back to her then. See? Don't think I ain't catching what you're thinking, 'cause I am. All right.

L-265 Lady, you just come up here now, so I'll look up and not catch someone else. Now, we are total strangers. But if Jesus Christ can reveal to me what your trouble is, will you believe it? If you will, raise up your hand.

L-266 I see you're extremely nervous. That's right. And especially that happens in the late of the afternoon, when you get tired and wore out, everything seems to go strange to you. You're suffering also with arthritis. [The sister says, "Yes."--Ed] That's so. Wave your hand. ["That's right, too."] Yeah. And I notice that when you're--when you're trying to get out of the bed, you go real slow, when you get up of a morning. Kind of hard for you at that time. That's true.

L-267 Something strange. I see a man, a young man, appear in here. It's your son, and he is suffering from a mental condition. And the mental condition was caused by a domestic trouble. That's THUS SAITH THE LORD. That's true. Isn't it? You believe now? [The sister says, "Yes."--Ed.] Then go find it the way you believe. God be with you. Have faith, and believe. It'll be all right.

L-268 You believe with all your heart? [Congregation says, "Amen."--Ed.] Sure. He knows all about you.

L-269 How do you do, sir? [The brother says, "God bless you."--Ed.] We're strangers to each other, I suppose. ["Yes, sir."] The Lord Jesus knows both of us. ["Yes."] We are two men met here for the first time in life. But there is Someone here. Don't...

L-270 Shaking, that's just weakness, you see. I spoke for an hour or more; it didn't hurt me. But just one vision, that does it. See? See? How many feels you understand that? [Congregation says, "Amen."--Ed.] Daniel saw one vision, was troubled at his head for many days. Jesus preached all night and everything,

but one little woman touched His garment and He said, "I perceive that virtue has gone from Me." Is that right? ["Amen."] That's strength. And it would do that to the Son of God, what would it do to me, a sinner? See? See? It does something to you. Frankly, the whole audience now is just becoming like a blur. See? [[Luke 8:44](#)], [[Matthew 9:20-21](#)], [[Mark 5:30](#)]

L-271 I don't know you, but God does know you. But if He will reveal to me what's in your heart, then He... Jesus perceived their very thoughts. See? He knows your heart. And if He can reveal to you your desires, would you believe you would receive it? [The brother says, "Amen."--Ed.]

L-272 How many out there would believe you would receive it? [Congregation says, "Amen."--Ed.] That ought to settle it, if you believe it.

L-273 Something on your arm shows that you have a high blood pressure. That's right. But it's got a cause, and the cause is from a goiter growth. That's right. You believe me to be His prophet, or His servant, rather? [The brother says, "Yes, sir. I do."--Ed.] You believe He knows you? ["Amen."] You're wanting to be healed for a good cause. You want to be a missionary. Your post will be in Central America. That right? Mr. Ogum, you believe with all yourself, believe with all your heart. Go and receive your healing. Jesus Christ will make you well.

L-274 Do you believe? [Congregation says, "Amen."--Ed.] How many believes that Jesus is the same yesterday, today, and forever? ["Amen."] You believe He's here? ["Amen."]

L-275 Now let me give you another Scripture. Jesus said, "Go ye into all the world and preach the Gospel to every creature. He that believeth and is baptized shall be saved; he that believeth not shall be damned. These signs shall follow them that believe." Is that right? [Congregation says, "Amen."--Ed.] "In My Name they shall cast out devils. They shall speak with new tongues. If they would take up serpents or drink deadly things, it would not harm them. If they lay their hands upon the sick, they shall recover." How many knows that's true? ["Amen."] [[Mark 16:15-18](#)]

L-276 What was His last words that fell from his lips as He was taken up? "If they lay their hands on the sick, they shall recover." Is that right? ["Amen."] Do you believe it? ["Amen."] How many believers are in here? Let's see. All right. [[Mark 16:18](#)]

L-277 Now, if you want to see the miracle of God, believe that this what I'm telling you, and you see manifested, is Jesus Christ. And then lay your hands over on one another. Just put your hands over on one another. No matter what's wrong, just lay your hands on somebody next to you.

L-278 Now, see, it just isn't of me. It's you. "These signs," didn't say, "just will follow William Branham." It said, "Will follow them that believe, if they lay their hands on the sick."

L-279 Now are you satisfied Jesus is alive and among us? Say, "Amen." [Congregation says, "Amen."--Ed.] Why, He that made the promise is here. Now you pray for the person that you got your hands on. See? You pray for them. See? Don't pray for yourself. You pray for them, because they're praying for you. See? Now, you know He's here. He made the promise. And if He will stand out here before the people and confirm it and prove it, that it's true, then you believe it with all your heart.

L-280 Now I'm going to pray for all of you. And while you pray for one another, let's believe now with all of our hearts.

L-281 Our Heavenly Father, we are, indeed, our hearts are thrilled. You are here tonight. There is no place too humble, no place too great, no place too far, but what You'll come to Your believing children. O great God of Heaven, You have sent Jesus Christ in the form of the Holy Spirit, which is here now, and identifying Himself the same yesterday, today, and forever, and the children are believing it. I've given them Your Word. You have confirmed Your Word. [[Hebrews 13:8](#)]

L-282 Now there is many sick here. And they are--they are thrilled. They're happy. They have their

hands, these believers, these believing children have their hands laid upon their sick brother or sister. They are believing. They're praying for he or she. And, God, You made the promise. It's Your Word.

L-283 Now, as Your servant, I bring this service to this place that we, as believers, come to challenge the Devil, that he's bluffed us around as much as he's going to. We believe that Jesus Christ is the same yesterday, today, and forever, and He's alive and here with us tonight. And we are following His commandments, by laying our hand on one another. [[Hebrews 13:8](#)]

L-284 Satan, turn them loose. Come out of them, in the Name of Jesus Christ. Let this audience of people go, for the glory of God. Turn them loose, Satan. We adjure thee, by the Presence of Jesus Christ, the living One, the resurrected Son of God. Leave them go. And come out of them, for the glory of God, in the Name of Jesus Christ.

L-285 Every person present, that, feels that Jesus Christ has kept His Word, that He's come in our midst, that He's here because He promised to be here! He's here and identified Himself. He's the same Lord Jesus that walked in Galilee, and you believe that He keeps all of His Word. And because somebody, a believer, identified himself with you, by laying his hands upon you, to identify himself with the Word of God, that you are now healed. And you resent Satan holding you any longer. Your faith goes loose, to believe that God is here to keep His Word.

L-286 Stand on your feet and accept your healing. All that believe it, rise up to your feet. Blessed be the Name of the Lord! Raise up your hands and praise Him, now. You are healed in the Name of Jesus Christ.

All right, Tony, come.

63-0605 - Ramada Inn, Tucson, AZ (Paragraphs: 300 - 400)

L-301 Now, you don't have a prayer card. You won't be up here in the line. But if you want to know whether it is the truth or not, you just say to God tonight, "Heavenly Father, I'm sick. I must have help. And I--I'm using all the faith I've got. I know it's not that man standing there. That's just a man like I am, or my husband, or my brother. See? But I believe the man told the Truth, because it's Scripture. And I believe that You're a High Priest now. The thing, let me touch You, Lord, and You be the same yesterday. You... That brother doesn't know me. But You turn around and use his lips, and speak to me and say like You did to the woman."

L-302 I challenge you, in Jesus Christ's Name, to have that kind of faith, and watch what takes place. See if it's right or not. It's the truth. You just believe it. And if you can do that, well, God will bless you.

L-303 Now, is there anybody here that never was in one of the meetings before? Raise up your hand. My! Oh! We're glad to have you here tonight. God bless you. Just a little meeting, a time of fellowship. And just run in here, nervously, for two or three nights, and take off. Maybe sometime, God willing, the ministers willing, we could come back here sometime, have a good meeting, where we stay two or three weeks.

L-304 And the sick people, sometime, they'll have a--a growth, like, in them. They don't even know what the growth is. Now, it's a life, like a malignancy, or whatever it is. It's a life. It's a life that doesn't...

L-305 Say, on my hand, there's no cancer there now. Maybe there will be, someday. Usually, a cancer, it comes from... It's a wild cell.

L-306 And like some of you sisters going through the time of menopause, and they give you this hormone shot. Don't you do it. You just trust God. Hormone is a wild cell, and you're just putting cancer right in you. See? I'm not... Doctor, don't think I'm trying to take your place here. But I've done met too much of it in the prayer line. See? So, the thing to do, you just put your faith in God. And your real good, honest physician, your doctor at home, will tell you that's the truth. You just have faith in God and trust Him.

He'll take you through the shadows. He's always there to help you. That's right.

L-307 Notice. We find, what if that growth, it starts growing? What is it? It's a multiplication of cells, one cell piling on top of another.

L-308 That's what you are, too, a multiplication of cells. Well, you know where you come from. Holy wedlock between father and mother, one little teeny cell. If I was going to tear your body down, tonight, take it cell by cell, it'd come down to that one little life. Inside of that life, course, there's a chemistry of the blood, and inside the blood is the life, and that life is you. Now, it begin to multiply cells.

L-309 And so, everything of its kind, the bird after bird, dog after dog, human after human. And it make...

L-310 But, you see, a devil has no form. Cancer, it's called cancer, comes the word "crab," which means "legs spread out," go to sucking. It's drawing your blood out of you. It's another life. It's a life living in you. So, there's a human life. And there is another life; and that's what I'm talking to, is that life. Now when they say, now, you call it, doctor calls it, "cancer," and some of them calls it cataract, and some of you calls it different things, medical terms. But, Jesus called it a "devil," and that's what it is. Devil means "tormentor," and it's there to take your life.

L-311 Now, sometimes, the doctor can cut around and get it all out. That's wonderful. But what if it's got such a hold, it can't? Now, we're not dealing with the lump, itself. We're dealing with the life that's in that lump, now, when you say, "Satan, come out."

L-312 And I can prove it to you. Let the person lay their hands on my hand, and prove you, show the--the effects it takes. You've seen it done, many of you. Is that right? [Congregation says, "Amen."--Ed.]

L-313 Notice now. If that life goes out of there, what happens? You go back the next day, it shrinks. Anything knows, after anything... Anybody knows, when anything dies, it shrinks. You kill a deer, then weigh it and tell the brethren how much it weigh, and throw it on the scales in the morning, it's going to be pounds lighter. When a person dies, that has false teeth, they take them out; artificial eye. Cause, they'll... they, they shrink. They'll come out.

L-314 Well, then, after it lays there so long, like a little animal, dog, being run over on the street, laying in the sun, it begins to swell, then it gets bigger than it was in the first place. The patient then will begin to get sick after about seventy-two hours, when corruption sets in. They'll begin to say, "Oh, I'm worse than I was. I've lost my healing."

L-315 "And when the unclean spirit is gone out of a man, he walks in dry places, returns back again." See? And if you don't really believe, no matter how much it's took off of you, if you don't know how to accept it and believe it! When it returns back, you still know it's gone; and if you accept it, then there's nothing but death. But what's the matter? You put a...

What if you had a snake in you, about that long? You'd die.

L-316 Well, what is it? Your heart beats and purifies the blood stream. And that's what causes fever, is infection. And then when that growth, laying in the human body, and it's dead, and infection sets in, or it begins to swell, and the heart has to beat that out, purifying the blood. Why, of course, you get worse.

L-317 But people, there, that don't have faith, just run in, and they actually get a relief. I see people...

L-318 One night, a man with cataracts over his eyes, run down and played the piano, and could see. He come up and took this same Bible and read from it. And about four nights later, couldn't even see his hand before him. He come back, said, "I lost my healing." It was just a good thing to be there. He come.

L-319 I said, "Brother, that's wrong. You--you, you've done... You disbelieve."

He said, "Well, Brother Branham, I got healed. But..."

L-320 I said, "No, it's the cataract swelling, sir. Just keep on believing. Don't you doubt. If you do, it will come back. You just keep on believing. You said you believed. Then, you're taking back on what you

said. Don't say it 'less you believe it." Encouraged him and told him. Stayed there, was there for two weeks. At the end of the two weeks, he could read the Bible as good as anybody else could. See?

L-321 Now, if he hadn't had instructions on what to do, and that's what you get, run in like this. And the first thing you know, then it all falls back on the pastor, and they say, "Well, they wasn't." See, it's because the congregation is not trained. They don't understand how to, what they must do. And they don't have, altogether, faith. They have a lot of hope.

L-322 But, now, what I'm trying to do, is not for you to say, "You know what? Brother Branham laid hands on me, and, brother, I got well." I don't want to even touch you. I want you to touch Him. See? I ain't got nothing to do with it.

L-323 But in the gift that God has give me, if I can manifest Christ, to show Him and bring Him to a reality here before you, the Word Itself made flesh among us, and show that it is God, then you just touch Him and see what happens. You see what I mean, friends?

L-324 You don't want something big. If you do, you can't go to little places. I was on the field, years ago. I've never permitted my meetings to grow to a place. I don't have any televisions. I don't have anything selling. I--I don't have nothing, just Christ. And I... If some... I go to them little bitty places where some of the brothers who has got these great big programs couldn't go to, because they got to have thousands of dollars every day, to keep their program. I don't have to have nothing, just more of God. See? And I can go wherever He sends me. See? And that's where I can go to.

L-325 I preached a revival here not long ago, in a church that held twenty. It was pitiful, but we held it, anyhow, because the Lord told me to go there. See? And then I go and preach to a crowd of five hundred thousand. Somebody sponsors it and takes me over. I don't worry about nothing. I just worry about keeping right, before Him. See? He sends me wherever He wants to send me.

L-326 Now, tonight, as far as I know, in this line, people are strangers to me.

L-327 How many is out there, is strange to me? Raise your... Knows I don't know nothing about you, raise up your hand, you--you need Christ. All right. You just believe now. I think it was a hundred percent.

L-328 Now, while this prayer line is going up here, you begin to pray down there, for God to. And if He will do that, you'll believe, will you? Say "Amen." [Congregation says, "Amen."--Ed.]

L-329 Now, how many knows that that's exactly the way He identified Himself as the Messiah of God? How many knows that, from it? [Congregation says, "Amen."--Ed.] See? It's exactly. It's exactly. And He's the same yesterday, today, and forever. "I do nothing until I see, what I see the Father doing."

L-330 I want to take every spirit in here under my control, in the Name of Jesus Christ, for the glory of God.

L-331 Keep your seats. Set still. Don't move around. When you move, see, each one is a spirit. You know that? If you wouldn't, you'd be dead. See? And--and your unbelief... And I say, "Bow your head," do it. I say, if It calls you to get up, get up. And whatever It says do, you do just what It is. Because, It's not me. It's Him.

Now start your prayer line, wherever it is.

L-332 Heavenly Father, it won't be long till time is going to run out. Standing behind me here tonight is shepherds, ministers, who has foretold and claimed that the hour would come when this would be done. Some old veterans, many years ago, standing on the corner, with a guitar in their hand, claiming that there would come a day. And here is some of them here tonight, and their sons are here. Father, they only paved the way to make it real. Now may we receive it, Lord. Grant it. And may, together, we fellowship around this great gift that God has sent to us, Jesus Christ. Grant it, Father.

L-333 Now, Lord, Thou knowest that I don't know one of these people. I know nothing of them. Thou

knowest them all. And I'm trying to let the people see, Lord, that it isn't great men, great church. It's a great God, and Jesus Christ. I pray that You'll let Him be known tonight to us, humbly.

L-334 Now I've challenged the audience, Lord, to look to You. And let some of them out there, Lord, somebody, I pray that You'll let the Holy Spirit search out some faith there tonight, that'll cause the audience to get enthused, to see that there is something going on. And may they understand, and each and every one be healed. May there not be a sick person in our midst, tonight, when the service is closed. May every unsaved person be saved, when they feel and know that they're in the Presence of the very God that will judge them one Day. We commit it all to You now. And I commit myself to You. Use me, Lord, as You see fit, in Jesus Christ's Name. Amen.

L-335 Now, I--I ask you to be real quiet and be in prayer. Now, just imagine... Now, if anybody does not think that this comes from God, then, in the Name of Jesus Christ, I challenge you to come here and do the same thing. And then, if you can't, don't say nothing about it. Search it in the Scriptures, you see. See?

L-336 Now, as far as I know, with God's Bible here before me, and this bunch of men setting here, looking at me, and in the presence of this people, this woman is a stranger to me. I don't know her. She's just a woman standing there. I know nothing of her.

L-337 If she is sick, and I--and I had any way to heal her, I'd sure do it. You believe that, don't you? I would do it if I could. But, I can't. Nobody else can.

L-338 Healing comes from God, and He's already done it. But if--if God could do something, to make you understand that He is still here, and He here to keep His promise. If He keeps this promise, then He will keep, He keeps the promise of healing, of course. See?

L-339 And then if--if Jesus was standing here tonight, with this suit that He gave me, and you'd walked up to Him and say, "My, Lord, I'm sick. I want You to heal me."

L-340 I believe it'd be something like this. He'd say, "Child, do you not believe the holy Scriptures? I died for that purpose. I purchased your healing at Calvary, when I suffered for you."
"But Who do I know Who You are? Are You my Lord?"

L-341 "Well, what did I do when I was here on earth, before, to make Myself known to the people, to both Jews and Samaritans?"

L-342 Not one time was that miracle performed before a Gentile, 'cause Gentiles wasn't looking for it. Now is the day of the Gentiles, when they're getting theirs now. And this is the day, that He said, "A word against the Holy Ghost, be called an evil spirit, would never be forgiven people."

L-343 Now, the woman, both of us here before God, and under the Bible, we absolutely, you see, we know not one another, never seen each other. And I don't know, have not one idea, what she is standing there for. I've never seen her in my life, and this is the Bible in my hands. And as a minister, what good would it do me to say that, when it was wrong, condemning myself?

L-344 I don't have to be here doing this. I come because I feel I'm in the will of God. I've come because that I know that the Day of Judgment will strike Tucson someday. And God is trying to get a Message to you, and I must be His witness. Nothing to me, I'm the least among you. I'm just your brother. It's Jesus Christ, but He has to have someone to work through. He does that choosing, Himself. He predestinated that to be.

L-345 Now, if the Holy Spirit will tell me what that woman is, or what she has done, or what's, something about her, she knows, she'll know whether it's the truth or not. Won't you? Sure. You'd know whether it's the truth. And if it isn't the truth, then it isn't God. But if it is the truth, then it is God.

L-346 How many of you will believe now with all your heart and accept it? [Congregation says, "Amen."--

Ed.]

L-347 Now here we are, under oath, under the Bible, before His witnesses, before the witnesses here. And the Bible laying here, that promised that the things that was done just before Sodom burnt will be done before the Gentiles, before the... they're destroyed. The last call to Abraham's seed, the royal seed!

L-348 Now, anyone knows, the woman is standing with her eyes closed, just repeating the Word, of prayer. She is a Christian, because, when she first come up.

L-349 You find, once in a while, an impersonator slip by, and try to act like a Christian. How many has ever seen that done? [Congregation says, "Amen."--Ed.] You see what happens to them too. They either drop right there, or paralyze. They pack them out, and that's it. We're not playing church. You remember Phoenix, a few years ago, on that.

L-350 Now, the lady, really, she is burdened about something. Now, if you could see, between she and I, there's a Light. She begins to fade out. But it seems like her spirit is troubled. She has spiritual problems that she's worried about. That is true. If that's true, raise up your hand.

L-351 Variably, every time, I feel that come in, "He's reading that woman's mind." I'm not. I'll find that one of these nights, and I'll call it out, too.

L-352 Just a minute, we'll see if we are, see if we're guessing at this. I don't know what it said, first. There was something. It seemed like it was trouble or something. Oh, here it is. I see now. It's spiritual problem.

L-353 Another thing, you have sick spells. You have gallstone trouble. That's right. That right? Uh-huh. [The sister says, "Comes in stages."--Ed.] Yes, sir. Kind of a strong man. Notice, another thing, you're burdened about somebody. That's some children. It's your children, their salvation. That's true. It's about somebody, too, that's here. I can feel it. It's your husband, and it's his salvation. ["That's right."] That's right. He is setting present now. ["That's right."] Hum!

L-354 You're not from here. I see you walking somewhere where there's high green hills and a lot of water. [The sister says, "Jesus!"--Ed.] It's--it's away from here. It's north from here. You're from the state of Oregon. ["That's right."] That's right. You're from somewhere near Grant's Pass, or somewhere around in there where them hills are. Your first name is Lena. ["That's right."] Your last name is Stovell. ["That's right."] That's right. Jesus Christ honors your request tonight. Go home. Your husband is saved; your children, also; and you receive your healing. Blessed be the Name of the Lord Jesus Christ!

L-355 Whatever it was, I don't know. It'll only have to be on the tape. But I know it was a woman that had faith, that believed.

L-356 You believe Him now? [Congregation says, "Amen."--Ed.] Is He the same yesterday, today, and forever? ["Amen."] You know that has to be Spirit. Now it depends on what you think It was.

L-357 How you do, lady? [The sister says, "Fine."--Ed.] Now, we're strangers to each other. I--I don't know you. And you're a lot younger than I am. But do you believe Jesus can tell me what your trouble is, or something about you? Would it give you faith to believe? You believe me to be His servant? You know I wouldn't know. It would be impossible for me to know. It'd have to be from Him, Spirit. And you're conscious at this time that there is something going on. It's His Presence.

L-358 You're not exactly standing for yourself. You got a lot of trouble. You got a spiritual, lot of spiritual problems that you're wondering about. [The sister says, "Yes."--Ed.] That you'll... You're going to get the answer to them. And just to let you know that I know what I'm speaking of, some of it is about something going on in your church. ["That's right."] Uh-huh. That's right. That is right. It's a business deal. It's going on in your church, that you don't think is going on right. That's THUS SAITH THE LORD.

That is true.

L-359 And another thing, I see a person appearing, that's almost dead. It's a cancer case. You are praying for cancer, someone in your country. And you're also from Oregon, because it's the same country the lady was here before. That's right. You receive what you asked for. [The sister says, "Thank You, Lord."--Ed.] Return home. Your faith grants it to you.

L-360 I never touched the woman. But God did, for her. You just believe.

L-361 How do you do, lady. We are strangers to each other. The Lord Jesus knows us both.

L-362 Now, just a moment. Something happened in the audience. Be real reverent. There was a man appeared, before the woman here, somebody with faith. Just keep praying, ever who it was. I missed it. Just keep praying.

L-363 Again, see, to talk to you. Everybody has a spirit. See? And the people are beginning to believe, you see. And it makes it, see, everybody's faith pulling every way, you see. That's the reason I have to get somebody here just before me.

L-364 There is even ministers setting here, that's sick, that's praying right now. See? And that's... See?

L-365 And I've called you, you with the prayer card. I don't know you, but God does know you. Then if the Lord Jesus will tell me something in your life that you've done, ought to have done, or something that's wrong with you, if you're sick, might be domestic trouble, or might be financial trouble. I don't know what it is. But whatever it is, you'll know whether it's true or not, if He says it. Will--will you believe, and believe that--that you are now in His Presence? Not my presence, or these men, present, that wouldn't make you feel the way you're feeling now. It's His Presence.

L-366 There's a man keeps standing by this woman. It's a heavy-set man. It's something. I see it. You are a friend to a man that I know, Paul Cain, a minister. You know him. That's right, 'cause there he is. It's... That's right. He has prayed for you, this man. And your trouble, you have a rupture, and the rupture is in the diaphragm. That is right. And it caused complications and all kinds of sickness. You're not from here. You're from... You're west of here. You're from California. You believe Jesus Christ? [The sister says, "Yes, sir."--Ed.] Will you accept Him? Miss Moss, you want to go back home and be well? Return and believe it. Have faith in God now. Don't doubt, and it will be brought to pass.

L-367 You believing on the Lord Jesus? [Congregation says, "Amen."--Ed.]

L-368 How do you do? We are strangers, one to another, suppose. The Lord Jesus knows both of us. I do not know you, but the Lord Jesus does know you.

L-369 It's--It's a Light, and It just keeps leaving the platform. You all keep believing like that. Just go ahead, just keep believing. See? Keep praying. Right.

L-370 You are suffering with a growth. Do you believe that the Lord Jesus can tell me where the growth is? It's on your right breast, lung. That is right. You're not from here. There was somebody sent you here. Say, you've been in the prayer line before. That was in... You're from Chicago. And you were healed once in the meeting, that was told to you, by being a trouble in your side, or leg, or something like that. And you were healed in the meeting. And a man that's gray-headed, and he got a gray mus... It's Pastor Mattsson-Boze, that used to be your pastor at the Philadelphia church, that's where you're from, sent you here tonight. That's right. Jesus Christ makes you whole. Return back to Chicago, rejoicing. Jesus Christ makes you whole.

"If thou canst believe, all things are possible."

L-371 How do you do? We are strangers to each other. I don't know you, but Jesus Christ knows you. Do you believe that He is able to give me His Spirit? Which, I'm not sufficient as a minister, you know, to, you know. But--but by a gift in the Bible, that's promised in the last days, "to restore the Faith of the

children back to the fathers." Do you believe the hour has arrived for that, and that that ministry is in operation in the Church today?

L-372 You, too, come from Chicago, 'cause I see you going on a street. Looks like Clark Street, to me. That's right. And you suffer with arthritis, different affliction in your body. You can go back now. Your faith makes you whole. God bless you. Go, believing with all your heart.

L-373 You believe God heals arthritis? Then go back to your seat and thank Him for it. Be healed. Be well.

L-374 Would you come forward, lady? Would you like to go eat and feel good again, that old stomach trouble be gone? Go, eat. Jesus Christ make you well.

L-375 Lady, the lady there with the little one, do you believe God will heal that child? I can tell you the trouble of the child, but I can't heal it. Look here, sweetheart. I got a little girl out there, just about like you. I leave her many times, crying, like you are now, to go see little girls. You believe Jesus can heal heart trouble and make you well? Come here. Come to me.

L-376 Heavenly Father, let the power of the Holy Spirit now present, save the life of this child. In the Name of Jesus Christ, I ask for her life. Amen.

Don't doubt it. Don't doubt it, sister. Go, believe, and it'll be all right. Believe now with all your heart.

L-377 Come, lady. Do you believe God can heal that lady's trouble, female trouble, the drainage will stop? [The sister says, "Yes, sir."--Ed.] Return. Believe it with all your heart, and be well. See? See?

L-378 Like to breath again, good and free, and get rid of that old asthma and stuff? Go home and believe it with all your heart. You can be healed and made well. Believe with all your heart.

L-379 God heals heart trouble, too. That's right. Do you believe that? Just return and say, "Thank You, Lord Jesus." And praise His Name, and you'll get well.

In Jesus Christ's Name, grant her this.

L-380 Do you believe? [Congregation says, "Amen."--Ed.] How many believes? ["Amen."]

L-381 What about you over there in that stretcher? Do you believe? Do you believe me to be His prophet, I-I mean, His servant? That stumbles people. I don't know you. You're just a woman laying there. I see you're on a stretcher. Do you believe me to be His servant? If God can reveal to me what your trouble is, will you accept Him as your Healer? You're shadowed for death. There's a dark shadow over you. If you lay there, you'll die. Does do no good to go to the doctor; it's all over, for as far as he is concerned. The disease that's killing you is cancer. Why don't you accept Jesus Christ as your Healer? Rise up from your stretcher, and take it and go home, and be made well. Will you believe that? Accept it, and go home then. Rise up, and believe it. And he rose up.

L-382 What about you with your hand up there, and that white coat on? Do you believe me to be God's servant? You believe God can tell me what your trouble is, sir? You have some kind of spells. It's epilepsy. If that's right, raise up the other hand. Now believe Him, with all of your heart, and you'll never have another spell. I challenge you to believe it.

L-383 This man setting here looking at me, with a shirt... looking right up here. You're suffering with heart trouble. I don't know you, but that's the truth. Is that right? Let me tell you again. You're a minister. You have churches you visit. It looks like it's kind of a dark race of people. It's Mexico. That is right. You're all interested in somebody. That's the wife setting there by you. You believe God can tell me what her trouble is? I can't heal her, but if I can tell you her trouble, will you believe for her healing? She is deaf in her ears. Put your hands upon her ears, and believe with all your heart, and she can be healed.

L-384 How many will believe the same thing? [Congregation rejoices--Ed.] Amen. Put your hands up in the air, and accept Jesus as your Healer.

L-385 You who believe Him, has never been saved, why not come up to the altar just now? You said you wanted to have a feeling in your heart like you did, like that mother deer did. You want to accept Him as your Saviour? Will you come up here now and stand around the altar, and let me pray with you while you're in His Presence? Many of you here, should come and stand here. If you want to accept Christ as your Saviour, come right now. Will you do it?

God bless you, sir. God bless you. That's good.

L-386 Someone else wants to accept Him? In His Presence, how you ever going to get any closer to Him? If He--if He could tell me what your trouble is, He tells me you need--you need Him. Come up right now. You who is without Him, come now and receive Him as your personal Saviour. Stand here in His Presence. Whoever you are, if you're a church member, no matter what you are, if you're not yet right with God, I ask you, and challenge, in Jesus Christ's Name, come forward now before we finish this healing line, right while the Holy Spirit is here, where I can pray the prayer of faith. If He will hear me, to heal the sick, surely He will hear me to save the lost. You who want Him as your Saviour, come forward now in Jesus' Name. Walk forward now and stand up around the altar here for prayer, just at this time.

L-387 The Lord bless you. I like that. Men and women, under conviction, the Holy Spirit Himself bringing them right out and bring them down to the altar.

L-388 You who believe this to be the--the witness of the resurrection of Jesus Christ in this last days, that, the Bible promised this very thing. That, it can't be me; I'm a man. It's your Saviour. I tell you, it's Jesus Christ. With my hand on the Word, it's Jesus Christ, the Son of God. His Coming is so close until He has manifested Himself in the fullness of His power among His people.

L-389 If you've had doubts and flusterations, just a lukewarm church member, come tonight and be filled with the Holy Spirit while the Holy Spirit Himself is here, showing the infallible proofs, by the Scripture, that He is here. It's Him. Come now, every soul that wants Jesus Christ in your life. Come forward now and accept Him. Come now.

... are possible, only believe.

L-390 While we sing it, won't you come now? Oh! "Only believe" what? Only believe the Bible Truth, what's been told you. Here He is, proving It. Why did He tell me, right in the middle of that healing service? Why did He tell me in that healing service, "Call the people to the altar"? It may be somebody's last chance. I don't know. Only thing I know, is, obey the Spirit.

... only believe,

Only believe, only believe,

All things are possible, only believe.

Lord, I believe; Lord, I believe;

All things are possible.

L-391 All right, minister brothers, right down here, right down this way. "Be..." That one space, brother. Go right down. Let the personal workers gather around now. We're going to pray for these people.

I believe; O Lord, I believe;

All things are possible.

L-392 "Is it possible for me to receive the Holy Ghost like they did on the Day of Pentecost?" Certainly, if you believe it. "Believe. Only believe."

L-393 Do you want a real experience of the love of God, like that old mother deer had for the baby? If your experience isn't like that, you're short. Come on. If you want to manifest Jesus Christ in your life,

come on. Don't play church no more.

L-394 The hour is here, we mustn't trifle with this great thing that God has given us, the infallible proofs of Jesus Christ alive today after two thousand years away. Won't you come? The church is receiving its last gift. This is the last thing that will come to the Church before the Coming of Christ, according to the Word of God. Jesus said, "As it was in the days of Lot, so shall it be at the Coming of the Son of God." Here we are.

L-395 Come, won't you, every soul that don't know Him, every soul that's in doubt tonight? Don't let this grand opportunity pass you. Won't you come now and stand for prayer while we gather around this place? That's right. Just keep on coming. We, we want to see you, everybody who is... We're waiting just a moment, because I truly feel there's more here should come, no matter what church you're affiliated with. We're not asking you for membership of church. We're asking you to come, receive Christ. Would you like to receive the God that knows the secrets of the heart, that can reveal it right here like He did, that knows the very thoughts you're thinking, and can describe them to you, as He did in the days gone by? Now, the Lord bless.

L-396 Now, while these are around the altar, and while the others are coming, let the ones in the audience stand up just a moment now, while we're going to pray. Now, you that's sick out there that maybe wasn't in the prayer line, you lay your hands on one another. Let all the personal workers and the ministers lay hands upon these people here.

L-397 Are you ready? Have you seen something that's real? Has something stirred your heart? Has something become a reality to you, quickly, to know that Jesus Christ is alive tonight?

L-398 Now let us bow our heads, and every man pray in your own way. Remember, there's millions of prayers going up around the world right now. God hears every one of them, because He's infinite. Pray now as you do in your own church. Pray for God to forgive your sins. Pray for Him to fill you with the Holy Ghost. Pray for God to heal you. That's right. The Holy Spirit fall among you like that and give you great victory and liberty.

L-399 Heavenly Father, we bring this audience to You just now. Let the great power that raised up Jesus Christ out of the grave, may it quicken this church just now. May the healing power... May every sick person be delivered from the powers of Satan. May every lost soul be saved, and every saved person filled with the baptism of the Holy Spirit. Grant it, Lord.

L-400 Pray like you never prayed before. Pray like you were dying, like it's your last minute, and God will grant it.
